H.875

SHORT FORM

Introduced by Representative Chase of Colchester

Referred to Committee on

Date:

Subject: Communications; Vermont Telecommunications Authority

Statement of purpose of bill as introduced: This bill proposes to end the period of dormancy applicable to the Vermont Telecommunications Authority and to specify that its purpose is to ensure that all residences and businesses in Vermont have access to broadband service that is capable of speeds that are 100 Mbps symmetrical and that is upgradeable to symmetrical gigabit service without requiring a significant investment in new communications infrastructure.

An act relating to the Vermont Telecommunications Authority

It is hereby enacted by the General Assembly of the State of Vermont:
