House Resolution

H.R. 15

House resolution urging the United States Postal Service to improve immediately the reliability and timeliness of its deliveries and requesting that Congress take any necessary legislative actions to effectuate this objective

Offered by: Representatives Bongartz of Manchester, Brownell of Pownal, Burke of Brattleboro, Coffey of Guilford, Corcoran of Bennington, Durfee of Shaftsbury, Goldman of Rockingham, James of Manchester, Long of Newfane, Morrissey of Bennington, Mrowicki of Putney, Nigro of Bennington, Pajala of Londonderry, Partridge of Windham, Toleno of Brattleboro, and Whitman of Bennington

Whereas, even in the digital age, the United States Postal Service (USPS) remains essential for Vermonters and Vermont's economy, and

Whereas, the USPS is mandated to be self-sufficient while also prefunding its future retirees' health benefits far into the future, and

Whereas, to improve USPS revenues, U.S. Postmaster General Louis DeJoy and the Postal Board of Governors adopted a 10-year USPS transformation plan entitled "Delivering for America," which focuses more on profitability and less on timely service, and

Whereas, the 10-year plan includes an intentional slowing, from three to six days, of the USPS delivery standard for first class mail, and

Whereas, this standard is resulting in deteriorating postal service nationwide, as seen in the fact that approximately 92 percent of first-class mail was delivered on time in the first quarter of 2020 while, during the same period in 2021, that figure fell to 78 percent, and

Whereas, many Vermont communities, including Barre, Bennington, Marshfield, Montpelier, Pownal, Shaftsbury, Stowe, and Williston have experienced extensive USPS delivery delays, and

Whereas, the late receipt of credit card and utility bills may result in damage to a person's credit rating or the suspension of a basic utility service, and

Whereas, the tardy arrival of critical medications sent via USPS could be life threatening, and

Whereas, the Bennington Post Office informed an individual that the delivery of packages would be delayed until the post office had the time and/or

staff to deliver them, and a full workweek after a stated delivery date had passed, the parcels still remained undelivered, and

Whereas, the shortcomings of the USPS are also impacting businesses such as Vermont News & Media, which publishes the *Bennington Banner*, the *Brattleboro Reformer*, and the *Manchester Journal*, and

Whereas, the company attributes the cancellation of over 200 newspaper subscriptions in Bennington and Windham Counties and an anticipated revenue loss of at least \$45,000 to the USPS, and this is merely one example of the negative financial effects of USPS delivery delays on Vermont corporations, and

Whereas, the USPS's new "Delivering for America" plan is causing significant harm to the health and economic livelihoods of individuals and corporations in Vermont and nationally and should be immediately reassessed, and

Whereas, the postal problems Vermonters are encountering are due to flawed national USPS policies and are not the fault of the hard-working USPS employees in Vermont, now therefore be it

Resolved by the House of Representatives:

That this legislative body urges the United States Postal Service to reassess its 10-year transformation plan with the goal of immediately restoring the reliability and timeliness of mail delivery to the standard that existed prior to the plan's implementation, and be it further

Resolved: That this legislative body requests that Congress take any necessary legislative action, including revising the retiree health benefit prefunding requirement, to effectuate this objective, and be it further

Resolved: That the Clerk of the House be directed to send a copy of this resolution to U.S. Postmaster General Louis DeJoy, the Postal Board of Governors, the Chair of the U.S. House Committee on Oversight and Reform's Subcommittee on Government Operations, the U.S. House Majority and Minority Leaders, and the Vermont Congressional Delegation.
