5 * * *

6 § 2704. RANKED CHOICE VOTING; BALLOTS

7 (a) A presidential primary election for a major political party shall be
8 conducted by ranked-choice voting.

9 (b) A person voting at the primary shall be required to ask for the ranked-
10 choice ballot of the party in which the voter wishes to vote, and an election
11 official shall record the voter's choice of ballot by marking the entrance
12 checklist with a letter code, as designated by the Secretary of State, to indicate
13 the voter's party choice.

14 (1) The ballot shall allow voters to rank candidates in order of choice.

15 The names of all candidates on the ballot shall be listed in alphabetical order.

16 ~~Each voter may vote for one candidate for the presidential nomination of one~~
17 ~~party, either by placing a mark opposite the printed name of a candidate as in~~
18 ~~other primaries, or by writing in the name of the candidate of the voter's~~
19 ~~choice.~~

20 (2) The ballot shall allow voters to assign rankings to candidates that are
21 equal to the number of printed candidate names and blank write-in lines,

1 ~~except to the extent established by the Secretary pursuant to section 2709 of~~
2 ~~this title.~~

3 § 2705. TYPE OF RANKED-CHOICE VOTING

4 (a) At least 150 days before the date of the presidential primary election,
5 the State committee of each major political party shall confirm in writing with
6 the Secretary of State whether the party will award delegates either:

7 (1) on a winner-take-all basis in accordance with subsection 2706(d) of
8 this title; or

9 (2) on a proportional basis in accordance with subsection 2706(e) of this
10 title, in which case the party shall also indicate the applicable threshold or
11 thresholds for receiving delegates.

12 (b) If a party fails to provide notice, or its notice does not specify how the

15 2706(d) of this title.

16 (c) At least 120 days before the date of the presidential primary election,
17 the Secretary of State shall confirm with the State committee of each political
18 party that the State is capable of implementing the party's preferences as
19 declared under subsection (a) of this section or shall notify the State committee
20 of any feasibility constraints that could prevent the State from implementing
21 the party's preferences.

~~§ 2706. RANKED CHOICE VOTING TABULATION.~~

~~(a) Tabulation rounds. In any presidential primary election for a major political party, each ballot shall count as one vote for the highest-ranked active candidate on that ballot. Tabulation shall proceed in rounds. Each round proceeds sequentially as described in subsection (d) or (e) of this section, as applicable.~~

~~(b) Withdrawn candidates. Ranking orders containing withdrawn candidates shall be treated the same as ranking orders containing candidates who have been eliminated from tabulation.~~

~~(c) Inactive ballots and undervotes.~~

~~(1) In any round of tabulation, an inactive ballot does not count for any candidate and is not considered a vote for the purposes of determining either which active candidate has majority of the active votes in the final round of tabulation pursuant to subsection (d) of this section or which active candidates possess a vote total above the threshold for receiving delegates pursuant to subsection (e) of this section.~~

~~(2) A ballot is an inactive ballot if any of the following is true:~~

~~(A) The ballot does not rank any active candidates and is not an undervote.~~

~~(B) The ballot has reached an overvote.~~

~~(C) The ballot has reached two consecutive skipped rankings.~~

1 ~~(3) An undervote does not count as either an active or inactive ballot in~~
2 ~~any round of tabulation.~~

3 (d) Award of delegates on winner-take-all basis. If a major political party
4 awards all of the State's delegates to a single candidate on a winner-take-all
5 basis, tabulation shall proceed as follows:

6 (1) If there are two or fewer active candidates, then tabulation is
7 complete, and the candidate with the most votes is declared the winner of the
8 election.

9 (2) If there are more than two active candidates, the active candidate
10 with the fewest votes is eliminated, the votes for the eliminated candidate are
11 transferred to each ballot's next-ranked active candidate, and a new round
12 begins.

13 (3) If there is a tie between two active candidates with the fewest votes,
14 the tie shall be resolved by lot to determine which candidate is defeated. The
15 result of the tie resolution must be recorded and reused in the event of a
16 recount.

17 (4) If there is a tie between the final two active candidates, the Secretary
18 of State shall notify each active candidate involved in the tie, or the
19 candidate's designee, to be present at the Secretary of State's office at a certain
20 time. At that time, the Secretary of State shall select the winner of the
21 tabulation by lot.

1 ~~(e) Award of delegates on proportional basis. If a major political party~~
2 ~~awards the State's delegates to multiple candidates on a proportional basis,~~
3 ~~tabulation shall proceed as follows:~~

4 ~~(1) If the vote total of every active candidate is above the threshold for~~
5 ~~receiving delegates as confirmed by the major political party pursuant to~~
6 ~~subdivision 2705(a)(2) of this title, then tabulation is complete.~~

7 ~~(2) If any active candidate is below the threshold for receiving~~
8 ~~delegates, then the active candidate with the fewest votes is eliminated, votes~~
9 ~~for the eliminated candidate are transferred to each ballot's next-ranked active~~
10 ~~candidate, and a new round begins.~~

11 ~~(3) If there is a tie between two active candidates with the fewest votes~~
12 ~~and tabulation is not yet complete, the tie shall be resolved by lot to determine~~
13 ~~which candidate is defeated. The result of the tie resolution must be recorded~~
14 ~~and reused in the event of a recount.~~

15 ~~(f) Certification of tabulation rounds. The Secretary of State shall certify~~
16 ~~the results of each round tabulated pursuant to subsection (d) or (e) of this~~
17 ~~section, as applicable, along with any other information required under section~~
18 ~~2707 of this title, to the State chairperson and the national committee of each~~
19 ~~political party that had at least one candidate on the State-administered~~
20 ~~presidential primary election ballot to allocate national delegate votes in~~
21 ~~accordance with the party's State and national rules.~~

1 ~~(c) Nothing in this act shall be construed to preclude a political party from~~
2 allocating delegates according to its own rules for allocating such delegates.

3 § 2707. RANKED-CHOICE VOTING RESULTS REPORTING

4 (a) Unofficial preliminary round-by-round results and unofficial
5 preliminary cast vote records shall be released as soon as feasible after the
6 polls close and at regular intervals thereafter until the counting of ballots is
7 complete.

8 (1) Unofficial preliminary round-by-round results shall be clearly
9 labeled as preliminary and, to the extent feasible, shall include the percent of
10 ballots counted to date.

20 ~~of the official tabulation, including votes for withdrawn candidates,~~

2 ~~because they did not contain any active candidates, reached an overvote, or~~
3 ~~reached two consecutive skipped rankings, reported as separate figures; and~~

4 ~~(3) the cast vote records in a publicly accessible, electronic format~~
5 ~~and by district, published in a manner consistent with the need to maintain~~
6 ~~voter privacy.~~

7 ~~(c) If a major political party allocates delegates by geographical unit or~~
8 ~~district, round-by-round results by geographical unit or district shall be made~~
9 ~~public in addition to statewide results.~~

10 § 2708. CANVASSING COMMITTEE CERTIFICATES

(B) The ballot has reached an overvote.

(C) The ballot has reached two consecutive skipped rankings.

(3) An undervote does not count as either an active or inactive ballot in any round of tabulation.

(d) Award of delegates on winner-take-all basis. If a major political party awards all of the State's delegates to a single candidate on a winner-take-all basis, tabulation shall proceed as follows:

(1) If there are two or fewer active candidates, then tabulation is complete and the candidate with the most votes is declared the winner of the election.

(2) If there are more than two active candidates, the active candidate with the fewest votes is eliminated, the votes for the eliminated candidate are transferred to each ballot's next-ranked active candidate, and a new round begins.

(3) If there is a tie between two active candidates with the fewest votes, the tie shall be resolved by lot to determine which candidate is defeated. The result of the tie resolution must be recorded and reused in the event of a recount.

(4) If there is a tie between the final two active candidates, the Secretary of State shall notify each active candidate involved in the tie, or the candidate's designee, to be present at the Secretary of State's office at a certain time. At that time, the Secretary of State shall select the winner of the tabulation by lot.

(e) Award of delegates on proportional basis. If a major political party awards the State's delegates to multiple candidates on a proportional basis, tabulation shall proceed as follows:

(1) If the vote total of every active candidate is above the threshold for receiving delegates as confirmed by the major political party pursuant to subdivision 2705(a)(2) of this title, then tabulation is complete.

(2) If any active candidate is below the threshold for receiving delegates, then the active candidate with the fewest votes is eliminated, votes for the eliminated candidate are transferred to each ballot's next-ranked active candidate, and a new round begins.

(3) If there is a tie between two active candidates with the fewest votes and tabulation is not yet complete, the tie shall be resolved by lot to determine which candidate is defeated. The result of the tie resolution must be recorded and reused in the event of a recount.

(f) Certification of tabulation rounds. The Secretary of State shall certify the results of each round tabulated pursuant to subsection (d) or (e) of this section, as applicable, along with any other information required under section 2707 of this title, to the State chairperson and the national committee of each political party that had at least one candidate on the State-administered presidential primary election ballot to allocate national delegate votes in accordance with the party's State and national rules.

(g) Nothing in this act shall be construed to preclude a political party from allocating delegates according to its own rules for allocating such delegates.

§ 2707. RANKED-CHOICE VOTING RESULTS REPORTING

(a) Unofficial preliminary round-by-round results shall be released as soon as feasible after the polls close and at regular intervals thereafter until the counting of ballots is complete. Unofficial preliminary round-by-round results shall be clearly labeled as preliminary and, to the extent feasible, shall include the percent of ballots counted to date.

(b) In addition to any other information required by law to be reported with final results, the following shall be made public:

(1) the total number of votes each candidate received in each round of the official tabulation, including votes for withdrawn candidates; and

(2) the total number of ballots that became inactive in each round because they did not contain any active candidates, reached an overvote, or reached two consecutive skipped rankings, reported as separate figures.

(c) If a major political party allocates delegates by geographical unit or

district, round-by-round results by geographical unit or district shall be made public in addition to state-wide results.

§ 2708. CANVASSING COMMITTEE CERTIFICATES

When the canvassing committee provided for in section 2592 of this title prepares its certificate of election for a presidential primary election for a major political party, the canvass shall state the number of final round votes received by each candidate who has received votes in the final round of tabulation.

Sec. 8. 17 V.S.A. § 2709 is added to read:

§ 2709. RULEMAKING
