10 An act relating to an employer's compliance with an income withholding  
11 order from another state

12 It is hereby enacted by the General Assembly of the State of Vermont:

18 (2) Maintaining records necessary for the receipt and disbursement of  
19 child support, including information on support orders and support arrearages,  
20 with the date and amount due and the date and amount paid by the obligor and

1 the date and amount disbursed; identifying information about both parents,  
2 including the name, address, Social Security number, and employment  
3 information; names and dates of birth of children.

14 (b) All orders for child support subject to wage withholding shall require

16 cases. All orders for child support not subject to wage withholding made or  
17 modified on or after July 1, 1990 shall require that payment be made through  
18 the Registry as a IV-D case unless the parties have agreed that the obligor will  
19 pay the obligee directly.

20 (c) In the case where neither parent requests services under Title IV-D of  
21 the Social Security Act or where the case is not a IV-D case by operation of
