6 (D) since 2014, over 47,000 naloxone rescue kits have been
7 distributed to Vermonters as an overdose prevention measure.

8 (2) International Overdose Awareness Day is observed on
9 August 31 of each year to raise awareness of drug overdoses, to reduce the
10 associated stigma, and to acknowledge the grief of the families and friends of
11 persons who have experienced a drug overdose.

12 (3) Designating Overdose Awareness Day as a Vermont
13 commemorative day recognizes the importance of each person who has
14 experienced a drug overdose, and it reminds Vermonters that death due to a
15 drug overdose is preventable.
