1 On page 21, line 22, after "(1)" insert "(a)"

2 On page 21, line 25, after "nature." insert "Urban character
3 refers to patterns of land use and development established by a
4 county in the urban growth areas of its comprehensive plan:

5 (i) In which narrow thoroughfares, cityscapes, and human
6 habitation predominate;

7 (ii) That foster organized, structured human lifestyles, urban
8 economies, and opportunities for commercial, service-based, and
9 technological employment and lifestyles;

10 (iii) That provide visual landscapes traditionally found in urban
11 areas and suburban communities;

12 (iv) That are compatible with the use of land for transportation,
13 human habitation, and commercial development;

14 (v) That reduce the inappropriate conversion of undeveloped land
15 into sprawling, low-density development by encouraging compact,
16 efficient use of space for commerce and human habitation;

17 (vi) That provide urban governmental services; and

18 (vii) That are consistent with the balanced development of
19 infrastructure desired for civilized human habitation, provision of
20 green space for human health, and convenient provision of other
21 services desired for public health, safety, and welfare.

22 (b) "

EFFECT: Defines "urban character" as patterns of land use and development established by a county in the urban growth areas of its comprehensive plan. Establishes specific patterns of land use and development that compose urban character.
