

SHB 1369 - H AMD 313

By Representative Stearns

1 On page 1, line 14, after "property." insert "For any employment
2 authorized under this section that occurs on reservation, trust, or
3 allotted lands of a federally-recognized Indian tribe, a Washington
4 fish and wildlife officer must have taken the violence de-escalation
5 and mental health training provided by the criminal justice training
6 commission, including the curriculum of the history of police
7 interactions with Native American communities."
8

EFFECT: Requires Washington Fish and Wildlife Officers to complete training provided by Criminal Justice Training Commission on violence de-escalation and mental health prior to accepting employment on a federally-recognized Indian tribe's reservation, trust, or allotted lands.
