1 On page 2, beginning on line 23, after "Pacific" strike all
2 material through "\$250,000" on line 25 and insert "standard time, on
3 December 31st of the same calendar year, the department must allow
4 individual programs to use any remaining credits allowed under
5 subsection (4) of this section. The total credits allowed under this
6 chapter for each program under (a)(i) of this subsection and this
7 subsection (a)(iii) may not exceed \$250,000 in a calendar year"

EFFECT: Clarifies that individual Main Street programs may exceed the annual \$160,000 credit cap during the fourth quarter of the calendar year up to \$90,000 which creates a total cap of \$250,000 per Main Street program per calendar year.
