21 courts shall report the work group findings and recommendations for  
22 establishing a child care assistance program to the appropriate  
23 committees of the legislature.

24 (b) The report must outline the planning and implementation of  
25 the program and an estimation of the cost.

26 (3) This section expires December 1, 2024.

11 **Sec. 4.** RCW 2.36.054 and 2015 c 225 s 1 are each amended to read  
12 as follows:

13 Unless otherwise specified by rule of the supreme court, the jury  
14 source list and master jury list for each county shall be created as  
15 provided by this section.

16 (1) The superior court of each county, after consultation with  
17 the county clerk and county auditor of that jurisdiction, shall  
18 annually notify the consolidated technology services agency not later  
19 than March 1st of each year of its election to use either a jury  
20 source list that is merged by the county or a jury source list that  
21 is merged by the consolidated technology services agency. The  
22 consolidated technology services agency shall annually furnish at no  
23 charge to the superior court of each county a separate list of the  
24 registered voters residing in that county as supplied annually by the  
25 secretary of state and a separate list of driver's license and  
26 identicard holders residing in that county as supplied annually by  
27 the department of licensing, or a merged list of all such persons  
28 residing in that county, in accordance with the annual notification  
29 required by this subsection. The lists provided by the consolidated  
30 technology services agency shall be in an electronic format mutually  
31 agreed upon by the superior court requesting it and the consolidated  
32 technology services agency. The annual merger of the list of  
33 registered voters residing in each county with the list of licensed  
34 drivers and identicard holders residing in each county to form a jury  
35 source list for each county shall be in accordance with the standards  
36 and methodology established in this chapter or by superseding court  
37 rule whether the merger is accomplished by the consolidated  
38 technology services agency or by a county.

1           (2)(a) Persons on the lists of registered voters and driver's  
2 license and identicard holders shall be identified by a minimum of  
3 last name, first name, middle initial where available, date of birth,  
4 gender, and county of residence. Identifying information shall be  
5 used when merging the lists to ensure to the extent reasonably  
6 possible that persons are only listed once on the merged list.  
7 Conflicts in addresses are to be resolved by using the most recent  
8 record by date of last vote in a general election, date of driver's  
9 license or identicard address change or date of voter registration.

11           (i) Apply for a driver's license or identicard in this state  
12 shall have the ability to opt in to allow the department of licensing

14 services agency for the purpose of electronically receiving jury  
15 summons and other communications related to jury service; and

16           (ii) Apply online to the register to vote shall, immediately  
17 after completing the voter registration transaction, be directed by  
18 the secretary of state to a website where the person shall have the  
19 ability to opt in to share the person's email address with the  
20 consolidated technology services agency for the purpose of  
21 electronically receiving jury summons and other communications  
22 related to jury service. The provisions of the subsection (2)(b)(ii)  
23 are subject to appropriation.

24           (3) The consolidated technology services agency shall provide  
25 counties that elect to receive a jury source list merged by the  
26 consolidated technology services agency with a list of names which  
27 are possible duplicates that cannot be resolved based on the  
28 identifying information required under subsection (2) of this  
29 section. If a possible duplication cannot subsequently be resolved  
30 satisfactorily through reasonable efforts by the county receiving the  
31 merged list, the possible duplicate name shall be stricken from the  
32 jury source list until the next annual jury source list is prepared."

33           Correct the title.

EFFECT: Makes the following changes to the ability for persons to  
share their email address with the consolidated technology services  
agency:

identicard would have the ability to opt in to share their email  
address to receive jury summons and related communications;

Clarifies that a person who applies online to register to vote would immediately be directed to a website where the person could opt in to share their email address to receive jury summons and related communications if appropriations are made for such purpose; and
