

SSB 5441 - S AMD 325

By Senator Wellman

1 On page 2, line 15, after "(d)" insert "Information on any
2 surgical mesh used during breast implant surgery including, but not
3 limited to, mesh made of nondegradable synthetic materials,
4 biodegradable synthetic materials, or animal or human derived
5 tissues. This information must include a warning that no surgical
6 mesh has been approved by the food and drug administration for use
7 with breast implants;

8 (e) "

9 Reletter the remaining subsections consecutively and correct any
10 internal references accordingly.

EFFECT: Requires physicians to provide a patient with information related to any type of surgical mesh used during the breast implant surgery.
