Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

1305 HB relates to improving access to and provision of a free appropriate public education for students with disabilities. Upon request, WSSB will participate in individualized education program team meetings convened by school districts. This will increase staff time to participate but at this time do not know the fiscal impact as we do not know the number of meetings we will be requested to participate in. In addition, if students are referred for services, the impact could be increased enrollment and/or the need for services of itinerant Teachers of the Visually Impaired (TVI). If services surpass capacity, the school will seek additional funding through the decision package process, if needed.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
