Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

No fiscal impact to the Department. This proposed legislation allows WDFW enforcement officers to pursue private off-duty law enforcement employment and relieves the Department of any liability of their conduct while off-duty. The Department is directed to create new policies pertaining to this legislation, which will be a one-time cost that is absorbed into standard policy updates.

Section 1 adds a new section to chapter 77.15 RCW that allows WDFW enforcement officers to engage in private law enforcement off-duty employment, for private benefit.

This bill directs the WDFW Enforcement Chief to adopt guidelines to ensure integrity and professionalism when officers choose to engage in off-duty employment.

WDFW Enforcement uniforms will be considered de minimis use of state property.

Section 2 states the Department will not be liable for tortious conduct by WDFW officers when they are engaged in private law enforcement off-duty employment.

WDFW officers who engage in private off-duty law enforcement will notify (in writing) the private employers of the provisions in the bill prior to employment.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
