## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1 states the intent to increase Staffing for paraprofessionals in instructional and noninstructional roles phased in starting in the 2024-25 school year until 2026-27 school year.

Section 2 (5)(c)(i) According to school sizes as defined in RCW 28A.150.260, this section increases the staffing ratios for teaching assistance staffing units through the prototypical funding formula by 0.356 for elementary, 0.100 for middle and 0.116 for high and the staffing ratios for office support and other noninstructional aides by 0.330 for elementary, 0.391 for middle and 0.770 for high for the 2024-25 school year.

Section 2 (5)(c)(ii) For the 2025-26 school year, this section increases the staffing ratios for teaching assistance staffing units through the prototypical funding formula by 0.712 for elementary, 0.200 for middle and 0.232 for high and the staffing ratios for office support and other noninstructional aides by 0.660 for elementary, 0.782 for middle and 1.540 for high.

Section 3 Effective school year 2026-27, Teaching assistance, including any aspect of educational instructional services provided by classified employees to be staffed to a student fte (full-time equivalent) to prototypical school staff ratio of 2.0 fte staff for elementary, 1.0 fte middle and 1.0 fte per prototypical high school.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

Cash revenue equals state expenditures.

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

OSPI assumes local education agencies will expend all revenue received in full. See State note for further details.

Additional costs above state allocation, if any, will be a result of collective bargaining.
