3 and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature intends to address
6 taxpayer confusion about school district authority to charge student
7 parking fees. The legislature further intends to provide school
8 districts the ability to deposit parking fees paid by students in the
9 associated student body program fund as an additional revenue source
10 to support student body activities.

11 **Sec. 2.** RCW 28A.325.010 and 1977 ex.s. c 170 s 1 are each
12 amended to read as follows:

14 establish and collect a fee from students and nonstudents as a
15 condition to their attendance at any optional noncredit
16 extracurricular event of the district which is of a cultural, social,
17 recreational, or athletic nature(~~(+PROVIDED, That)~~). However, in so
18 establishing such fee or fees, the district (~~shall~~) must adopt
19 regulations for waiving and reducing such fees in the cases of those
20 students whose families, by reason of their low income, would have

1 difficulty in paying the entire amount of such fees and may likewise
2 waive or reduce such fees for nonstudents of the age of sixty-five or
3 over who, by reason of their low income, would have difficulty in
4 paying the entire amount of such fees. An optional comprehensive fee
5 may be established and collected for any combination or all of such
6 events or, in the alternative, a fee may be established and collected
7 as a condition to attendance at any single event. In addition, a
8 school district board of directors may establish and collect a fee
9 from students as a condition of parking an automobile or other
10 vehicle on school property.

11 (2)(a) Except as provided under (b) of this subsection, fees
12 collected pursuant to this section ((shall)) must be deposited in the
13 associated student body program fund of the school district, and may
14 be expended to defray the costs of optional noncredit extracurricular
15 events of such a cultural, social, recreational, or athletic nature,
16 or to otherwise support the activities and programs of associated
17 student bodies.

18 (b) All or a portion of the fees collected from students as a
19 condition of parking an automobile or other vehicle may be deposited
20 in the associated student body program fund of the school district.
21 Any fees not deposited in the associated student body program fund
22 must be deposited as otherwise provided under RCW 28A.335.060.

23 **Sec. 3.** RCW 28A.335.060 and 2004 c 45 s 1 are each amended to
24 read as follows:

26 moneys derived from the lease, rental, or occasional use of surplus
27 school property as follows:

29 into the district's debt service fund and/or capital projects fund,
30 except for:

31 (a) Moneys required to be expended for general maintenance,
32 utility, insurance costs, and any other costs associated with the
33 lease or rental of such property, which moneys ((shall)) must be
34 deposited in the district's general fund; ((or))

35 (b) At the option of the board of directors, after evaluating the
36 sufficiency of the school district's capital projects fund for
37 purposes of meeting demands for new construction and improvements,
38 moneys derived from the lease or rental of real property may be
39 deposited into the district's general fund to be used exclusively for

1 nonrecurring costs related to operating school facilities, including
2 but not limited to expenses for maintenance; or

3 (c) Moneys collected from students as a condition of parking an
