**SUBSTITUTE HOUSE BILL 1267**

---

**State of Washington**

**67th Legislature**

**2021 Regular Session**

**By** House Public Safety (originally sponsored by Representatives Entenman, Hackney, Senn, Dolan, Leavitt, Berry, Fitzgibbon, Valdez, Simmons, Ramel, Ortiz-Self, Ramos, Chopp, Davis, Thai, Bergquist, Peterson, Kloba, Callan, Lekanoff, Macri, Goodman, Gregerson, J. Johnson, Lovick, Slatter, Ryu, Berg, Harris-Talley, Sells, Tharinger, Orwall, Pollet, Santos, and Ormsby; by request of Office of the Governor)

1 AN ACT Relating to investigation of potential criminal conduct  
2 arising from police use of force, including custodial injuries, and  
3 other officer-involved incidents; amending RCW 10.93.020, 39.26.125,  
4 and 10.114.011; adding a new section to chapter 41.06 RCW; adding a  
5 new chapter to Title 43 RCW; creating new sections; and providing an  
6 expiration date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 101.** INTENT. The legislature finds that there  
9 has been an outpouring of frustration, anger, and demand for change  
10 from many members of the public over the deaths of people of color  
11 resulting from encounters with police. The most recent deaths in the  
12 United States and within Washington are a call to lead our state to a  
13 new system for investigating deaths and other serious incidents  
14 involving law enforcement officers.

15 The legislature intends that the office of independent  
16 investigations be created to conduct investigations of use of force  
17 and other cases under its jurisdiction in a manner that is competent,  
18 unbiased, and thorough. The office will be transparent and  
19 accountable for their work. The office should ensure that it treats  
20 all people with dignity and respect. The director and staff must be  
21 qualified and trained to conduct the investigations, including

1 training to understand the impact and effect of racism in the  
2 investigation and use of an antiracist lens to conduct their work.

3 It is intended that this office will assume responsibility for  
4 investigations of serious use of force incidents and refer the  
5 reports on the investigation to the prosecutorial entity to determine  
6 if the action was justified, or if there was criminal action such  
7 that criminal charges should be filed. This is the same criminal  
8 investigative inquiry that is currently conducted when there is an  
9 officer-involved incident. The legislature does not intend to create  
10 a new type of investigation or that the office should be involved in  
11 any administrative review of conduct or complaints to police agencies  
12 about officer conduct related to policy or procedure. The process  
13 created in this act is intended to only change who investigates the  
14 incident. It does not change the nature of the investigation and only  
15 involves an investigation to determine justification or whether  
16 criminal charges are appropriate.

6 to investigate, and shall give notice of the fact to the involved  
7 agency.

8 (6) If the director determines the case is to be investigated the  
9 director will communicate the decision to investigate to the involved  
10 agency and will thereafter be the lead investigative body in the case  
11 and have priority over any other state or local agency investigating  
12 the incident or a case that is under the jurisdiction of the office.  
13 The director will implement the process developed pursuant to section

26 involved agency personnel and other first responders have rendered  
27 the scene safe and provided or facilitated lifesaving first aid to

31 (b) In all other cases, the involved agency must notify the  
32 office of the incident pursuant to the procedure established by the

2 scene.

3 (b) The primary focus of the involved agency must be the  
4 protection and preservation of evidence in order to maintain the

2 involvement of the independent investigation team is limited to  
3 activities requested by the office and must terminate following the  
4 securing of the scene and any evidence preservation or other actions  
5 as determined necessary by the office at the scene. The independent  
6 investigation team may not continue to participate in the ongoing  
7 investigation.

9 under the jurisdiction of the office may be shared with any member of  
10 the involved agency, except limited briefings given to the chief or  
11 sheriff of the involved agency about the progress of the  
12 investigation.
