15 to read as follows:

16 There is created a trust fund to be known as the public funds

28 necessary for the prudent management of the separately managed
29 account. The agreement must at minimum include the payment for
30 services, time periods for investments, and provisions for orderly
31 withdrawal of funds. The state treasurer may promulgate such rules as
32 are deemed necessary for the efficient operation of the separately

26 NEW SECTION. **Sec. 7.** Funds placed in separately managed
27 accounts pursuant to agreements between the office of the state
28 treasurer and eligible governmental entities shall be invested and
29 reinvested by the state treasurer so as to effectively maximize the
30 yield to the separately managed account portfolios. In investing and
31 reinvesting moneys in the separately managed accounts and in
32 acquiring, retaining, managing, and disposing of investments of the
33 separately managed accounts, there shall be exercised the judgment
34 and care under the circumstances then prevailing which persons of
35 prudence, discretion, and intelligence exercise in the management of
36 their own affairs, not in regard to speculation but in regard to the

1 permanent disposition of the funds considering the probable income as
2 well as the probable safety of the capital.

3 NEW SECTION. **Sec. 8.** The state treasurer's office is authorized
4 to employ such personnel as are necessary to administer the
5 separately managed accounts. The bond of the state treasurer as
6 required by law shall be made to include the faithful performance of
7 all functions relating to the separately managed accounts.

8 NEW SECTION. **Sec. 9.** Sections 3 through 8 of this act are each
9 added to chapter 43.250 RCW.
