- 1 AN ACT Relating to employment opportunities at institutions of
- 2 higher education; adding new sections to chapter 28B.52 RCW; and
- 3 creating a new section.
- 4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 5 <u>NEW SECTION.</u> **Sec. 1.** It is the intent of the legislature to
- 6 provide faculty and college excellence for Washington citizens by
- 7 increasing the number of full-time, tenured academic employee positions
- 8 at community and technical colleges and by enabling academic employees
- 9 who hold part-time positions to have greater assurance of continuing
- 10 employment. Promoting faculty and college excellence will result in
- 11 better educational opportunities for our students, our communities, and
- 12 our economy.
- 13 <u>NEW SECTION.</u> **Sec. 2.** A new section is added to chapter 28B.52 RCW
- 14 to read as follows:
- 15 (1) It is the goal of the legislature that over the next several
- 16 years, community and technical colleges increase the numbers of full-
- 17 time tenured positions on their campuses. This goal is best
- 18 accomplished by allowing the colleges to convert assignments currently

- held by nontenured academic employees to assignments held by full-time, tenured or tenure-track academic employees. This will require careful, strategic planning between the colleges, the state board for community and technical colleges, and the legislature. Therefore, it is the intent of the legislature to develop a planning process through which the colleges and board suggest a long-term strategic plan and timeline for faculty conversions.
 - (2) By October 1, 2010, each community and technical college, in close collaboration with the exclusive bargaining representative for faculty, shall create a conversion plan to increase the number of full-time tenured faculty positions. The goal of the plan shall be to have seventy-five percent of state-funded classes taught by faculty in full-time tenure-track positions by 2015.
 - (3)(a) In its plan, the college shall state how it intends to meet its goal by, but not limited to, creating opportunities for adjunct faculty to attain full-time positions or converting classes or assignments left vacant by attrition. The plan should not include discharging currently employed part-time or nontenure-track faculty who have taught in the college for three or more years.
 - (b) Each community and technical college shall submit the plan by October 1, 2010, and every two years thereafter until 2015, to the state board for community and technical colleges. The plans submitted in 2012 and 2014 shall include updated cost information related to faculty conversions and information on colleges' progress in increasing the percentage of full-time tenure-track teaching assignments.
 - (c) The state board for community and technical colleges shall report to the higher education committees of the legislature by December 1, 2010, and every two years thereafter until 2015, regarding updated faculty conversion cost information and information regarding the colleges' progress in increasing the percentage of full-time, tenure or tenure-track academic employees.
- NEW SECTION. Sec. 3. A new section is added to chapter 28B.52 RCW to read as follows:
- 34 (1) Each community and technical college shall establish a process, 35 subject to collective bargaining, under which part-time and full-time 36 nontenured faculty members, after successful completion of an 37 evaluation period, receive timely notice of and priority consideration,
