
SUBSTITUTE HOUSE BILL 1592

State of Washington

66th Legislature

2019 Regular Session

By House College & Workforce Development (originally sponsored by Representatives Kilduff, Leavitt, Doglio, Frame, Bergquist, Goodman, Ortiz-Self, Thai, Valdez, Pollet, Callan, Stonier, Appleton, Lovick, Shewmake, Jinkins, Lekanoff, and Slatter)

1 AN ACT Relating to establishing the Washington children's
2 educational savings account program; reenacting and amending RCW
3 43.79A.040; adding a new chapter to Title 28B RCW; creating a new
4 section; and providing an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** (1) Research shows that low-income and
7 moderate-income students who are the beneficiaries of children's
8 educational savings accounts are three times more likely to enroll in
9 college and four times more likely to graduate college. Research
10 further indicates that children without educational savings accounts
11 experience the greatest erosion between the high school student's
12 aspiration to attend college and his or her subsequent rate of
13 college enrollment by age twenty-two. Academic gains in students'
14 math and reading performances, as well as social and emotional health
15 benefits, have been conclusively tied to ownership of children's
16 educational savings accounts than those without savings accounts.

17 (2) The legislature recognizes that in order to have a skilled
18 and educated workforce it is vitally important for the state to
19 encourage young people to pursue their dreams of attending and
20 completing postsecondary educational programs of their choice,
21 whether that may be a college degree or a postsecondary certificate.

1 The legislature finds that promoting children's educational savings
2 accounts is a promising strategy for helping young Washingtonians
3 identify as college bound, while at the same time stimulating the
4 continued growth and dynamism of the state's economy and helping to
5 end the cycle of intergenerational poverty.

6 (3) The legislature recognizes that more than forty other states
7 and local communities across the country have created children's
8 educational savings account programs either statutorily or
9 administratively. Each program models an example of different
10 approaches and strategies that can be taken to expand educational
11 opportunity and financial capability to all families. Many of the
12 state and local governments have embraced their community of private
13 donors to leverage their programs, thereby ensuring a funding source
14 when government budgets are constrained, but also fostering community
15 engagement. Cultivating community support creates a larger college
16 bound environment where community leaders become champions for kids
17 and local philanthropic organizations recognize the value in
18 investing in their community's youth.

19 (4) The legislature intends to foster a college bound culture by
20 creating the Washington children's educational savings account
21 program and encouraging both public and private funding of the
22 program.

23 NEW SECTION. **Sec. 2.** The definitions in this section apply
24 throughout this chapter unless the context clearly requires
25 otherwise.

8 and promote the financial security, financial literacy, and economic
9 stability of Washington state families and increase their ability to
10 save for college. The program's purpose is to establish college

21 2(3)(a) of this act to claim the state grant money deposited on
22 behalf of an eligible beneficiary within fifteen years from the date
23 the eligible beneficiary was enrolled in the Washington children's
24 educational savings account program. By claiming the grant money, the
25 parent or guardian is notifying the council that they are aware of
26 the money and intend for the eligible beneficiary to use the money
27 for a higher education purpose in the future. If the grant money is
28 not claimed before fifteen years elapse, any initial and incentive
29 grant dollars and interest earned must be returned to the Washington
30 children's educational savings account program. This subsection only
31 applies for eligible beneficiaries under section 2(3)(a) of this act.

32 (2) Any initial and incentive grant dollars received by an
33 eligible beneficiary through the Washington children's educational
34 savings account program may only be used to attend an eligible

38 incentive grant dollars deposited by the council for the purposes
39 specified under subsection (2) of this section before the eligible

1 beneficiary turns twenty-nine years of age, or in the event the
2 eligible beneficiary dies, the unused initial and incentive grant

19 and when marketing the program. In addition, if it is able to do so,
20 the council may provide families with a streamlined process and
21 simplified application form for opening an individual college savings
22 program account.

23 (2)(a) Subject to availability of amounts appropriated for this
24 specific purpose, the council shall coordinate with the office of the
