13 (c) Except for nonhigh districts under (d) of this subsection, for
14 districts in an interdistrict cooperative agreement, the nonresident
15 school district's maximum levy amount shall be reduced and the resident
16 school district's maximum levy amount shall be increased by an amount
17 equal to the per pupil basic education allocation included in the
18 nonresident district's levy base under subsection (3) of this section
19 multiplied by:

20 (i) The number of full-time equivalent students served from the
21 resident district in the prior school year; multiplied by:

2 this section, including allocations for compensation increases, plus
3 the sum of such allocations multiplied by the percent increase per full

2 enrollment used to calculate the Initiative 728 allocation for the
3 prior school year; and

4 (b) The difference between the allocations the district would have

16 staff units per thousand full-time equivalent students in grades
17 kindergarten through four that the district actually received in the
18 prior school year, except that the levy base for a school district
19 whose allocation in the 2009-10 school year was less than fifty-three
20 and two-tenths certificated instructional staff units per thousand
21 full-time equivalent students in grades kindergarten through four shall
22 include the difference between the allocation the district actually
23 received in the 2009-10 school year and the allocation the district

31 Laws of 2001, if all annual adjustments to the initial 2001 allocation
32 rate had been made in previous years and in each subsequent year as
33 provided for under chapter 3, Laws of 2001.

34 (d) "Initiative 732 base" means the prior year's state allocation
35 for annual salary cost-of-living increases for district employees in
36 the state-funded salary base as it would have been calculated under
37 chapter 4, Laws of 2001, if each annual cost-of-living increase

1 allocation had been provided in previous years and in each subsequent
2 year.

3 (9) Funds collected from transportation vehicle fund tax levies
4 shall not be subject to the levy limitations in this section.

5 (10) The superintendent of public instruction shall develop rules
6 and inform school districts of the pertinent data necessary to carry
