(2) The commissioner shall adopt any rules necessary to implement this section, consistent with federal rules and guidance in effect on

PART IV
ESSENTIAL HEALTH BENEFITS

Sec. 9. RCW 48.43.715 and 2013 c 325 s 1 are each amended to read as follows:

(1) ((~~Consistent with federal law,~~)) The commissioner, in consultation with the board and the health care authority, shall, by rule, select the largest small group plan in the state by enrollment as the benchmark plan for the individual and small group market for purposes of establishing the essential health benefits in Washington state ((~~under P.L. 111-148 of 2010, as amended~~)).

(2) If the essential health benefits benchmark plan for the individual and small group market does not include all of the ten essential health benefits categories ((~~specified by section 1302 of P.L. 111-148, as amended~~)), the commissioner, in consultation with the board and the health care authority, shall, by rule, supplement the benchmark plan benefits as needed ((~~to meet the minimum requirements of section 1302~~)).

(3) ((~~A~~)) All individual and small group health plans ((~~required to offer~~)) must cover the ten essential health benefits categories, other than a health plan offered through the federal basic health program, a grandfathered health plan, or medicaid((~~, under P.L. 111-148 of 2010, as amended,~~)). Such a health plan may not be offered in the state unless the commissioner finds that it is substantially equal to the benchmark plan. When making this determination, the commissioner:

(a) Must ensure that the plan covers the ten essential health benefits categories ((~~specified in section 1302 of P.L. 111-148 of 2010, as amended~~));

(b) May consider whether the health plan has a benefit design that would create a risk of biased selection based on health status and whether the health plan contains meaningful scope and level of benefits in each of the ten essential health benefits categories ((~~specified by section 1302 of P.L. 111-148 of 2010, as amended~~));

(c) Notwithstanding ((~~the foregoing~~)) (a) and (b) of this subsection, for benefit years beginning January 1, 2015, ((~~and only to the extent permitted by federal law and guidance,~~)) must establish

by rule the review and approval requirements and procedures for pediatric oral services when offered in stand-alone dental plans in the nongrandfathered individual and small group markets outside of the exchange; and

(d) ((~~Unless prohibited by federal law and guidance,~~)) Must allow health carriers to also offer pediatric oral services within the health benefit plan in the nongrandfathered individual and small group markets outside of the exchange.

(4) Beginning December 15, 2012, and every year thereafter, the commissioner shall submit to the legislature a list of state-mandated health benefits, the enforcement of which will result in federally imposed costs to the state related to the plans sold through the exchange because the benefits are not included in the essential health benefits designated under federal law. The list must include the anticipated costs to the state of each state-mandated health benefit on the list and any statutory changes needed if funds are not appropriated to defray the state costs for the listed mandate. The commissioner may enforce a mandate on the list for the entire market only if funds are appropriated in an omnibus appropriations act specifically to pay the state portion of the identified costs.

PART V
COST SHARING

NEW SECTION. **Sec. 10.** A new section is added to chapter 48.43 RCW to read as follows:

(1) For plan years beginning in 2020, the cost sharing incurred under a health plan for the essential health benefits may not exceed the following amounts:

(a) For self-only coverage:

(i) The amount required under federal law for the calendar year; or

(ii) If there are no cost-sharing requirements under federal law, eight thousand two hundred dollars increased by the premium adjustment percentage for the calendar year.

(b) For coverage other than self-only coverage:

(i) The amount required under federal law for the calendar year; or

(ii) If there are no cost-sharing requirements under federal law, sixteen thousand four hundred dollars increased by the premium adjustment percentage for the calendar year.

(2) Regardless of whether an enrollee is covered by a self-only plan or a plan that is other than self-only, the enrollee's cost sharing for the essential health benefits may not exceed the self-only annual limitation on cost sharing.

(3) For purposes of this section, "the premium adjustment percentage for the calendar year" means the percentage, if any, by which the average per capita premium for health insurance in Washington for the preceding year, as estimated by the commissioner no later than April 1st of such preceding year, exceeds such average per capita premium for 2020 as determined by the commissioner.

(4) Unless preempted by federal law, the commissioner shall adopt any rules necessary to implement this section, consistent with federal rules and guidance in effect on January 1, 2017, implementing the patient protection and affordable care act.

PART VI

OPEN ENROLLMENT PERIODS

Sec. 11. RCW 48.43.0122 and 2011 c 315 s 4 are each amended to read as follows:

(1) The commissioner shall adopt rules establishing and implementing requirements for the open enrollment periods and special enrollment periods that carriers must follow for individual health benefit plans ((~~and enrollment of persons under age nineteen~~)).

(2) The commissioner shall monitor the sale of individual health benefit plans and if a carrier refuses to sell guaranteed issue policies to persons ((~~under age nineteen~~)) in compliance with rules adopted by the commissioner pursuant to subsection (1) of this section, the commissioner may levy fines or suspend or revoke a certificate of authority as provided in chapter 48.05 RCW.

PART VII
