4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 43.330
6 RCW to read as follows:

7 The definitions in this section apply throughout this chapter
8 unless the context clearly requires otherwise.

9 (1) "Home" means a single-family residential structure.

10 (2) "Home rehabilitation" means residential repairs and
11 improvements that address health, safety, and durability issues in
12 existing housing in rural areas.

14 in the home the person occupies.

15 (4) "Low-income" means persons or households with income at or
16 below two hundred percent of the federal poverty level as adjusted
17 for family size and determined annually by the federal department of
18 health and human services.

20 grantee, tribal nation, or any public service company, municipality,
21 public utility district, mutual or cooperative, or other entity that

1 bears the responsibility for rehabilitating residences under this
2 chapter and has been approved by the department.

3 (6) "Rural areas" means areas of Washington state defined as non-
4 entitlement areas by the United States department of housing and
5 urban development.

6 NEW SECTION. **Sec. 2.** A new section is added to chapter 43.330
7 RCW to read as follows:

8 (1) Subject to availability of amounts appropriated for this
9 specific purpose, the low-income home rehabilitation revolving loan
10 program is created within the department.

11 (2) The program must include the following elements:

12 (a) Eligible homeowners must be low-income and live in rural
13 areas.

14 (b) Homeowners who are senior citizens, persons with
15 disabilities, families with children five years old and younger, and
16 veterans must receive priority for loans.

17 (c) The cost of the home rehabilitation must be the lesser of
18 eighty percent of the assessed value of the property post
19 rehabilitation or forty thousand dollars.

20 (d) The maximum amount that may be loaned under this program may
21 not exceed the cost of the home rehabilitation as provided in (c) of
22 this subsection.

23 (e) The interest rate of the loan must be equal to the previous
24 calendar year's annual average consumer price index compiled by the
25 bureau of labor statistics, United States department of labor.

26 (f) The department must allow participating homeowners to defer
27 repayment of the loan principal and interest and any fees related to
28 the administration or issuance of the loan. Any amounts deferred
29 pursuant to this section becomes a lien in favor of the state and is
30 secondary in rank over all other privileges, liens, monetary
31 encumbrances, or other security interests affecting the real
32 property, whenever incurred, filed, or recorded, except for local and
33 special district property tax assessments. The department must take
34 such necessary action to file and perfect the state's lien. All
35 amounts due under the loan become due and payable upon the sale of
36 the home or upon change in ownership of the home.

37 (3) All moneys from repayments must be deposited into the low-
38 income home rehabilitation revolving loan program account created in
39 section 4 of this act.

1 (4) The department must adopt rules for implementation of this
2 program.

3 NEW SECTION. **Sec. 3.** A new section is added to chapter 43.330
4 RCW to read as follows:

5 (1) The department must contract with rehabilitation agencies to
6 provide home rehabilitation to participating homeowners. Preference
7 must be given to local agencies delivering programs and services with
8 similar eligibility criteria.

9 (2) Any rehabilitation agency may charge participating homeowners
10 an administrative fee of no more than seven percent of the home
11 rehabilitation loan amount. The administrative fee must become a
12 component of the total loan amount to be repaid by the participating
13 homeowner.

14 (3) Any rehabilitation agency receiving funding under this
15 section must report to the department at least quarterly, or in
16 alignment with federal reporting, whichever is the greater frequency,
17 the project costs and the number of homes repaired or rehabilitated.
18 The director must review the accuracy of these reports.

19 NEW SECTION. **Sec. 4.** A new section is added to chapter 43.330
20 RCW to read as follows:

21 The low-income home rehabilitation revolving loan program account
22 is created in the custody of the state treasury. All transfers and
23 appropriations by the legislature, repayments of loans, private
24 contributions, and all other sources must be deposited into the
25 account. Expenditures from the account may be used only for the
26 purposes of the low-income home rehabilitation revolving loan program
27 created in section 2 of this act. Only the director or the director's
28 designee may authorize expenditures from the account. The account is
29 subject to allotment procedures under chapter 43.88 RCW, but an
30 appropriation is not required for expenditures.
