
HOUSE BILL 1987

State of Washington

67th Legislature

2022 Regular Session

By Representatives Morgan and Macri

1 AN ACT Relating to a task force on creating a new state housing
2 and homelessness department; creating new sections; and providing an
3 expiration date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that affordable
6 housing and homelessness are some of the most pressing issues facing
7 Washington state today. These issues are not isolated to any one part
8 of our state, rather they are challenges being faced by every
9 jurisdiction across the state.

10 The legislature finds a need for a more holistic approach to
11 housing and homelessness issues and a need to better align state
12 policies across agencies and in partnership with local jurisdictions
13 and community-based programs to achieve this.

14 Therefore, the legislature intends to establish a task force to
15 recommend an organizational structure for a new department focused
16 solely on issues of housing and homelessness. The task force will
17 create a blueprint for a new department to better align housing and
18 homelessness programs that currently span across multiple agencies
19 and partners.
