26 of the scholarship and endowment accounts under subsection (4)(a) of
27 this section, while ensuring transparency in the investment decisions
28 and processes.

32 as determined by the board.

33 (4) With respect to the Native American opportunity scholarship
34 program, the program administrator shall:

35 (a) Establish and manage the following separate accounts into
36 which to receive grants and contributions from private sources as
37 well as state matching funds, and from which to disburse scholarship
38 funds to participants:

1 (i) The scholarship account, whose principal may be invaded, and
2 from which scholarships must be disbursed for eligible education
3 programs beginning no later than December 1, 2022, if, by that date,

14 accounts under (a) of this subsection upon the direction of the
15 donor;

16 (c) Provide proof of receipt of grants and contributions from
17 private sources to the council, identifying the amounts received by
18 name of private source and date, and whether the amounts received
19 were deposited into the scholarship or endowment account under (a) of
20 this subsection;

21 (d) In consultation with the council, make an assessment of the
22 reasonable annual eligible expenses associated with eligible

31 income-based, sliding scale basis up to the amount necessary to cover
32 all reasonable annual eligible expenses as assessed under (d) of this
33 subsection;

34 (g) Distribute scholarship funds to selected participants. Once
35 awarded, and to the extent funds are available for distribution, a
36 Native American opportunity scholarship shall be automatically
37 renewed as long as the participant annually submits documentation of
38 filing both a free application for federal student aid and for
39 available federal education tax credits including, but not limited
40 to, the American opportunity tax credit, or if ineligible to apply

1 for federal student aid, the participant annually submits
2 documentation of filing a state financial aid application as approved
3 by the office; and until the participant withdraws from or is no

7 occurs first; and

8 (h) Notify institutions of higher education of scholarship
9 recipients who will attend the institution of higher education and
10 inform them of the terms of the students' eligibility.

11 (5)(a) The board and the program administrator must work to
12 maximize private sector contributions to the scholarship account to
13 maintain a robust Native American opportunity scholarship program
14 while simultaneously building the endowment, in the case of
15 undesignated grants and contributions, taking into account the need
16 for a long-term funding mechanism and the short-term needs of Native
17 American families and students in Washington.

18 (b) Once moneys in the Native American opportunity scholarship
19 account are deposited in the scholarship account or endowment account
20 under this section, the state acts in a fiduciary rather than
21 ownership capacity with regard to those assets. Assets in the
22 scholarship account and endowment account are not considered state
23 money, common cash, or revenue to the state.

24 NEW SECTION. **Sec. 5.** (1) The native American opportunity
25 scholarship program is established.

26 (2) The purpose of the program is to provide scholarships that
27 will encourage Native American Washington residents to earn
28 postsecondary degrees and credentials and remain in the state and
29 their communities to work. The program must be designed for students
30 pursuing a wide range of credentials and degrees including registered
31 apprenticeship programs, workforce credentials, and associate's,
32 bachelor's, and advanced degrees.

33 (3) The board shall determine which programs of study are
34 eligible for the purposes of the opportunity scholarship.

35 (4)(a) The source of funds for the program shall be a combination

39 beginning September 1, 2021.

1 (b) The state match must be based on donations and pledges
2 received as of the date each official state caseload forecast is
3 submitted by the caseload forecast council to the legislative fiscal
4 committees, as provided under RCW 43.88C.020. The purpose of this
5 subsection (4)(b) is to ensure the predictable treatment of the
6 program in the budget process by clarifying the calculation process
7 of the state match required by this section.

8 NEW SECTION. **Sec. 6.** (1) The board may elect to have the state
9 investment board invest the funds in the scholarship account and the
10 endowment account described under section 4 of this act. If the board
11 so elects, the state investment board has the full power to invest,
12 reinvest, manage, contract, sell, or exchange investment money in the
13 accounts. All investment and operating costs associated with the
14 investment of money shall be paid under RCW 43.33A.160 and 43.84.160.
15 With the exception of these expenses, the earnings from the
16 investment of the money shall be retained by the accounts.

17 (2) All investments made by the state investment board shall be
18 made with the degree of judgment and care required under RCW
19 43.33A.140 and the investment policy established by the state
20 investment board.

21 (3) As deemed appropriate by the state investment board, money in
22 the scholarship and endowment accounts may be commingled for

26 an insurer of the funds or assets and are not liable for any action
27 or inaction.

28 (5) Members of the state investment board are not liable to the
29 state, to the fund, or to any other person as a result of their
30 activities as members, whether ministerial or discretionary, except
31 for willful dishonesty or intentional violations of law. The state
32 investment board in its discretion may purchase liability insurance
33 for members.

34 (6) The authority to establish all policies relating to the
35 scholarship and endowment accounts, other than the investment
36 policies as provided in subsections (1) through (3) of this section,
37 resides with the board and program administrator acting in accordance
38 with the principles set forth in this chapter. With the exception of
39 expenses of the state investment board under subsection (1) of this

1 section, disbursements from the scholarship and endowment accounts
2 shall be made only on the authorization of the board or its designee,
3 and moneys in the accounts may be spent only for the purposes
4 specified in this chapter.

5 (7) The state investment board shall routinely consult and
6 communicate with the board on the investment policy, earnings of the
7 accounts, and related needs of the program.

8 NEW SECTION. **Sec. 7.** Sections 1 through 6 of this act
9 constitute a new chapter in Title 28B RCW.
