20 **Sec. 4.** RCW 10.77.088 and 2019 c 326 s 5 and 2019 c 248 s 1 are
21 each reenacted and amended to read as follows:

22 (1) If the defendant is charged with a nonfelony crime which is a
23 serious offense as identified in RCW 10.77.092 and found by the court
24 to be not competent, then the court:

25 (a) Shall dismiss the proceedings without prejudice and detain
26 the defendant for sufficient time to allow the designated crisis
27 responder to evaluate the defendant and consider initial detention
28 proceedings under chapter 71.05 RCW, unless the prosecutor objects to
29 the dismissal and provides notice of a motion for an order for
30 competency restoration, in which case the court shall schedule a
31 hearing within seven days to determine whether to enter an order of
32 competency restoration.

33 (b) At the hearing, the prosecuting attorney must establish that
34 there is a compelling state interest to order competency restoration
35 treatment for the defendant. The court may consider prior criminal
36 history, prior history in treatment, prior history of violence, the
37 quality and severity of the pending charges, any history that
38 suggests whether or not competency restoration treatment is likely to
39 be successful, in addition to the factors listed under RCW 10.77.092.

1 If the prosecuting attorney proves by a preponderance of the evidence
2 that there is a compelling state interest in ordering competency
3 restoration, then the court shall order competency restoration in
4 accordance with subsection (2) (a) of this section.

5 (2) (a) If a court finds pursuant to subsection (1) (b) of this
6 section that there is a compelling state interest in pursuing
7 competency restoration treatment, then the court shall commit the
8 defendant to the custody of the secretary for competency restoration.
9 Based on a recommendation from a forensic navigator and input from
10 the parties, the court may order the defendant to receive inpatient
11 competency restoration or outpatient competency restoration.

12 (i) To be eligible for an order for outpatient competency
13 restoration, a defendant must be clinically appropriate and be
14 willing to:

15 (A) Adhere to medications or receive prescribed intramuscular
16 medication; and

17 (B) Abstain from alcohol and unprescribed drugs.

18 (ii) If the court orders inpatient competency restoration, the
19 department shall place the defendant in an appropriate facility of
20 the department for competency restoration under (b) of this
21 subsection.

22 (iii) If the court orders outpatient competency restoration, the
23 court shall modify conditions of release as needed to authorize the
24 department to place the person in approved housing, which may include
25 access to supported housing, affiliated with a contracted outpatient
26 competency restoration program. The department, in conjunction with
27 the health care authority, must establish rules for conditions of
28 participation in the outpatient competency restoration program, which
29 must include the defendant being subject to medication management and
30 regular urinalysis testing for defendants who have a current
31 substance use disorder diagnosis. The outpatient competency
32 restoration program shall monitor the defendant during the
33 defendant's placement in the program and report any noncompliance or
34 significant changes with respect to the defendant to the department
35 and, if applicable, the forensic navigator.

36 (iv) If a defendant fails to comply with the restrictions of the
37 outpatient competency restoration program such that restoration is no
38 longer appropriate in that setting or the defendant is no longer
39 clinically appropriate for outpatient competency restoration, the
40 department shall remove the defendant from the outpatient restoration

1 program. The department shall place the defendant instead in an
2 appropriate facility of the department for inpatient competency
3 restoration for no longer than twenty-nine days regardless of any
4 time spent in outpatient competency restoration, in addition to
5 reasonable time for transport to or from the facility. The department
6 shall notify the court and parties of the change in placement before
7 the close of the next judicial day. The court shall schedule a
8 hearing within five days to review the placement and conditions of
9 release of the defendant and issue appropriate orders. The standard
10 of proof shall be a preponderance of the evidence, and the court may
11 in its discretion render its decision based on written submissions,
12 live testimony, or remote testimony.

13 (v) The court may not issue an order for outpatient competency
14 restoration unless the department certifies that there is an
15 available appropriate outpatient restoration program that has
16 adequate space for the person at the time the order is issued or the
17 court places the defendant under the guidance and control of a
18 professional person identified in the court order.

19 (b) The placement under (a) of this subsection shall not exceed
20 twenty-nine days if the defendant is ordered to receive inpatient
21 competency restoration, or shall not exceed ninety days if the
22 defendant is ordered to receive outpatient competency restoration.
23 The court may order any combination of this subsection, not to exceed
24 ninety days. This period must be considered to include only the time
25 the defendant is actually at the facility and shall be in addition to
26 reasonable time for transport to or from the facility.

27 (c) If the court has determined or the parties agree that the
28 defendant is unlikely to regain competency, the court may dismiss the
29 charges without prejudice without ordering the defendant to undergo
30 restoration treatment, in which case the court shall order that the
31 defendant be referred for evaluation for civil commitment in the
32 manner provided in (d) of this subsection.

33 (d) (i) If the proceedings are dismissed under RCW 10.77.084 and
34 the defendant was on conditional release at the time of dismissal,
35 the court shall order the designated crisis responder within that
36 county to evaluate the defendant pursuant to chapter 71.05 RCW. The
37 evaluation may be conducted in any location chosen by the
38 professional.

39 (ii) If the defendant was in custody and not on conditional
40 release at the time of dismissal, the defendant shall be detained and

1 sent to an evaluation and treatment facility for up to seventy-two
2 hours, excluding Saturdays, Sundays, and holidays, for evaluation for
3 purposes of filing a petition under chapter 71.05 RCW. The seventy-
4 two hour period shall commence upon the next nonholiday weekday
5 following the court order and shall run to the end of the last
6 nonholiday weekday within the seventy-two-hour period.

7 (3) If the defendant is charged with a nonfelony crime that is
8 not a serious offense as defined in RCW 10.77.092 and found by the
9 court to be not competent, the court may stay or dismiss proceedings
10 and detain the defendant for sufficient time to allow the designated
11 crisis responder to evaluate the defendant and consider initial
12 detention proceedings under chapter 71.05 RCW. The court must give
13 notice to all parties at least twenty-four hours before the dismissal
14 of any proceeding under this subsection, and provide an opportunity
15 for a hearing on whether to dismiss the proceedings.

16 ~~((3))~~ (4) If at any time the court dismisses charges under
17 subsections (1) ~~((or (2)))~~ through (3) of this section, the court
18 shall make a finding as to whether the defendant has a history of one
19 or more violent acts. If the court so finds, the defendant is barred
20 from the possession of firearms until a court restores his or her
21 right to possess a firearm under RCW 9.41.047. The court shall state
22 to the defendant and provide written notice that the defendant is
23 barred from the possession of firearms and that the prohibition
24 remains in effect until a court restores his or her right to possess
25 a firearm under RCW 9.41.047.

26 **Sec. 5.** RCW 70.105D.030 and 2019 c 422 s 401 and 2019 c 95 s 3
27 are each reenacted and amended to read as follows:

28 (1) The department may exercise the following powers in addition
29 to any other powers granted by law:

30 (a) Investigate, provide for investigating, or require
31 potentially liable persons to investigate any releases or threatened
32 releases of hazardous substances, including but not limited to
33 inspecting, sampling, or testing to determine the nature or extent of
34 any release or threatened release. If there is a reasonable basis to
35 believe that a release or threatened release of a hazardous substance
36 may exist, the department's authorized employees, agents, or
37 contractors may enter upon any property and conduct investigations.
38 The department shall give reasonable notice before entering property
39 unless an emergency prevents such notice. The department may by

1 subpoena require the attendance or testimony of witnesses and the
2 production of documents or other information that the department
3 deems necessary;

4 (b) Conduct, provide for conducting, or require potentially
5 liable persons to conduct remedial actions (including investigations
6 under (a) of this subsection) to remedy releases or threatened
7 releases of hazardous substances. In carrying out such powers, the
8 department's authorized employees, agents, or contractors may enter
9 upon property. The department must give reasonable notice before
10 entering property unless an emergency prevents such notice. In
11 conducting, providing for, or requiring remedial action, the
12 department must give preference to permanent solutions to the maximum
13 extent practicable and must provide for or require adequate
14 monitoring to ensure the effectiveness of the remedial action;

15 (c) Indemnify contractors retained by the department for carrying
16 out investigations and remedial actions, but not for any contractor's
17 reckless or willful misconduct;

18 (d) Carry out all state programs authorized under the federal
19 cleanup law and the federal resource, conservation, and recovery act,
20 42 U.S.C. Sec. 6901 et seq., as amended;

21 (e) Classify substances as hazardous substances for purposes of
22 RCW 70.105D.020 and classify substances and products as hazardous
23 substances for purposes of RCW 82.21.020(1);

24 (f) Issue orders or enter into consent decrees or agreed orders
25 that include, or issue written opinions under RCW 70.105D.180 that
26 may be conditioned upon, environmental covenants where necessary to
27 protect human health and the environment from a release or threatened
28 release of a hazardous substance from a facility. Prior to
29 establishing an environmental covenant under this subsection, the
30 department must consult with and seek comment from a city or county
31 department with land use planning authority for real property subject
32 to the environmental covenant;

33 (g) Enforce the application of permanent and effective
34 institutional controls that are necessary for a remedial action to be
35 protective of human health and the environment and the notification
36 requirements established in RCW 70.105D.110, and impose penalties for
37 violations of that section consistent with RCW 70.105D.050;

38 (h) Require holders to conduct remedial actions necessary to
39 abate an imminent or substantial endangerment pursuant to RCW
40 70.105D.020(22)(b)(ii)(C);

1 (i) In fulfilling the objectives of this chapter, the department
2 must allocate staffing and financial assistance in a manner that
3 considers both the reduction of human and environmental risks and the
4 land reuse potential and planning for the facilities to be cleaned
5 up. This does not preclude the department from allocating resources
6 to a facility based solely on human or environmental risks;

7 (j) Establish model remedies for common categories of facilities,
8 types of hazardous substances, types of media, or geographic areas to
9 streamline and accelerate the selection of remedies for routine types
10 of cleanups at facilities;

11 (i) When establishing a model remedy, the department must:

12 (A) Identify the requirements for characterizing a facility to
13 select a model remedy, the applicability of the model remedy for use
14 at a facility, and monitoring requirements;

15 (B) Describe how the model remedy meets clean-up standards and
16 the requirements for selecting a remedy established by the department
17 under this chapter; and

18 (C) Provide public notice and an opportunity to comment on the
19 proposed model remedy and the conditions under which it may be used
20 at a facility;

21 (ii) When developing model remedies, the department must solicit
22 and consider proposals from qualified persons. The proposals must, in
23 addition to describing the model remedy, provide the information
24 required under (j)(i)(A) and (B) of this subsection;

25 (iii) If a facility meets the requirements for use of a model
26 remedy, an analysis of the feasibility of alternative remedies is not
27 required under this chapter. For department-conducted and department-
28 supervised remedial actions, the department must provide public
29 notice and consider public comments on the proposed use of a model
30 remedy at a facility; and

31 (k) Take any other actions necessary to carry out the provisions
32 of this chapter, including the power to adopt rules under chapter
33 34.05 RCW.

34 (2) The department must immediately implement all provisions of
35 this chapter to the maximum extent practicable, including
36 investigative and remedial actions where appropriate. The department
37 must adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

38 (a) Provide for public participation, including at least (i)
39 public notice of the development of investigative plans or remedial
40 plans for releases or threatened releases and (ii) concurrent public

1 notice of all compliance orders, agreed orders, enforcement orders,
2 or notices of violation;

3 (b) Establish a hazard ranking system for hazardous waste sites;

4 (c) Provide for requiring the reporting by an owner or operator
5 of releases of hazardous substances to the environment that may be a
6 threat to human health or the environment within ninety days of
7 discovery, including such exemptions from reporting as the department
8 deems appropriate, however this requirement may not modify any
9 existing requirements provided for under other laws;

10 (d) Establish reasonable deadlines not to exceed ninety days for
11 initiating an investigation of a hazardous waste site after the
12 department receives notice or otherwise receives information that the
13 site may pose a threat to human health or the environment and other
14 reasonable deadlines for remedying releases or threatened releases at
15 the site;

16 (e) Publish and periodically update minimum clean-up standards
17 for remedial actions at least as stringent as the clean-up standards
18 under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621,
19 and at least as stringent as all applicable state and federal laws,
20 including health-based standards under state and federal law; and

21 (f) Apply industrial clean-up standards at industrial properties.
22 Rules adopted under this subsection must ensure that industrial
23 properties cleaned up to industrial standards cannot be converted to
24 nonindustrial uses without approval from the department. The
25 department may require that a property cleaned up to industrial
26 standards is cleaned up to a more stringent applicable standard as a
27 condition of conversion to a nonindustrial use. Industrial clean-up
28 standards may not be applied to industrial properties where hazardous
29 substances remaining at the property after remedial action pose a
30 threat to human health or the environment in adjacent nonindustrial
31 areas.

32 (3) To achieve and protect the state's long-term ecological
33 health, the department must plan to clean up hazardous waste sites
34 and prevent the creation of future hazards due to improper disposal
35 of toxic wastes at a pace that matches the estimated cash resources
36 in the model toxics control capital account. Estimated cash resources
37 must consider the annual cash flow requirements of major projects
38 that receive appropriations expected to cross multiple biennia.

39 (4) Before September 20th of each even-numbered year, the
40 department must:

1 (a) Develop a comprehensive ten-year financing report in
2 coordination with all local governments with clean-up
3 responsibilities that identifies the projected biennial hazardous
4 waste site remedial action needs that are eligible for funding from
5 the model toxics control capital account;

6 (b) Work with local governments to develop working capital
7 reserves to be incorporated in the ten-year financing report;

8 (c) Identify the projected remedial action needs for orphaned,
9 abandoned, and other clean-up sites that are eligible for funding
10 from the model toxics control capital account;

11 (d) Project the remedial action need, cost, revenue, and any
12 recommended working capital reserve estimate to the next biennium's
13 long-term remedial action needs from the model toxics control capital
14 account, and submit this information to the appropriate standing
15 fiscal and environmental committees of the senate and house of
16 representatives. This submittal must also include a ranked list of
17 such remedial action projects for the model toxics control capital
18 account. The submittal must also identify separate budget estimates
19 for large, multibiennia clean-up projects that exceed ten million
20 dollars. The department must prepare its ten-year capital budget plan
21 that is submitted to the office of financial management to reflect
22 the separate budget estimates for these large clean-up projects and
23 include information on the anticipated private and public funding
24 obligations for completion of the relevant projects.

25 (5) By December 1st of each odd-numbered year, the department
26 must provide the legislature and the public a report of the
27 department's activities supported by appropriations from the model
28 toxics control operating, capital, and stormwater accounts. The
29 report must be prepared and displayed in a manner that allows the
30 legislature and the public to easily determine the statewide and
31 local progress made in cleaning up hazardous waste sites under this
32 chapter. The report must include, at a minimum:

33 (a) The name, location, hazardous waste ranking, and a short
34 description of each site on the hazardous sites list, and the date
35 the site was placed on the hazardous waste sites list; and

36 (b) For sites where there are state contracts, grants, loans, or
37 direct investments by the state:

38 (i) The amount of money from the model toxics control capital
39 account used to conduct remedial actions at the site and the amount
40 of that money recovered from potentially liable persons;

1 (ii) The actual or estimated start and end dates and the actual
2 or estimated expenditures of funds authorized under this chapter for
3 the following project phases:

4 (A) Emergency or interim actions, if needed;

5 (B) Remedial investigation;

6 (C) Feasibility study and selection of a remedy;

7 (D) Engineering design and construction of the selected remedy;

8 (E) Operation and maintenance or monitoring of the constructed
9 remedy; and

10 (F) The final completion date.

11 (6) The department must establish a program to identify potential
12 hazardous waste sites and to encourage persons to provide information
13 about hazardous waste sites.

14 (7) For all facilities where an environmental covenant has been
15 required under subsection (1)(f) of this section, including all
16 facilities where the department has required an environmental
17 covenant under an order, agreed order, or consent decree, or as a
18 condition of a written opinion issued under the authority of RCW
19 70.105D.180, the department must periodically review the
20 environmental covenant for effectiveness. The department must conduct
21 a review at least once every five years after an environmental
22 covenant is recorded.

23 (a) The review must consist of, at a minimum:

24 (i) A review of the title of the real property subject to the
25 environmental covenant to determine whether the environmental
26 covenant was properly recorded and, if applicable, amended or
27 terminated;

28 (ii) A physical inspection of the real property subject to the
29 environmental covenant to determine compliance with the environmental
30 covenant, including whether any development or redevelopment of the
31 real property has violated the terms of the environmental covenant;
32 and

33 (iii) A review of the effectiveness of the environmental covenant
34 in limiting or prohibiting activities that may interfere with the
35 integrity of the remedial action or that may result in exposure to or
36 migration of hazardous substances. This must include a review of
37 available monitoring data.

38 (b) If an environmental covenant has been amended or terminated
39 without proper authority, or if the terms of an environmental
40 covenant have been violated, or if the environmental covenant is no

1 longer effective in limiting or prohibiting activities that may
2 interfere with the integrity of the remedial action or that may
3 result in exposure to or migration of hazardous substances, then the
4 department must take any and all appropriate actions necessary to
5 ensure compliance with the environmental covenant and the policies
6 and requirements of this chapter.

25 This schedule must be used for juvenile offenders. The court may
26 select sentencing option A, B, C, or D.

9	ADJUDICATIONS						

10 NOTE: References in the grid to days or weeks mean periods of
11 confinement. "LS" means "local sanctions" as defined in RCW
12 13.40.020.

13 (1) The vertical axis of the grid is the current offense
14 category. The current offense category is determined by the offense
15 of adjudication.

16 (2) The horizontal axis of the grid is the number of prior
17 adjudications included in the juvenile's criminal history. Each prior
18 felony adjudication shall count as one point. Each prior violation,
19 misdemeanor, and gross misdemeanor adjudication shall count as 1/4
20 point. Fractional points shall be rounded down.

21 (3) The standard range disposition for each offense is determined
22 by the intersection of the column defined by the prior adjudications
23 and the row defined by the current offense category.

24 (4) RCW 13.40.180 applies if the offender is being sentenced for
25 more than one offense.

26 (5) A current offense that is a violation is equivalent to an
27 offense category of E. However, a disposition for a violation shall
28 not include confinement.

29 **OR**
30 **OPTION B**
31 **SUSPENDED DISPOSITION ALTERNATIVE**

32 (1) If the offender is subject to a standard range disposition
33 involving confinement by the department, the court may impose the
34 standard range and suspend the disposition on condition that the
35 offender comply with one or more local sanctions and any educational
36 or treatment requirement. The treatment programs provided to the

1 offender must be either research-based best practice programs as
2 identified by the Washington state institute for public policy or the
3 joint legislative audit and review committee, or for chemical
4 dependency treatment programs or services, they must be evidence-
5 based or research-based best practice programs. For the purposes of
6 this subsection:

7 (a) "Evidence-based" means a program or practice that has had
8 multiple site random controlled trials across heterogeneous
9 populations demonstrating that the program or practice is effective
10 for the population; and

11 (b) "Research-based" means a program or practice that has some
12 research demonstrating effectiveness, but that does not yet meet the
13 standard of evidence-based practices.

14 (2) If the offender fails to comply with the suspended
15 disposition, the court may impose sanctions pursuant to RCW 13.40.200
16 or may revoke the suspended disposition and order the disposition's
17 execution.

18 (3) An offender is ineligible for the suspended disposition
19 option under this section if the offender:

20 (a) Is adjudicated of an A+ or A++ offense;

21 (b) Is fourteen years of age or older and is adjudicated of one
22 or more of the following offenses:

23 (i) A class A offense, or an attempt, conspiracy, or solicitation
24 to commit a class A offense;

25 (ii) Manslaughter in the first degree (RCW 9A.32.060);

26 (iii) Assault in the second degree (RCW 9A.36.021), extortion in
27 the first degree (RCW 9A.56.120), kidnapping in the second degree
28 (RCW 9A.40.030), drive-by shooting (RCW 9A.36.045), vehicular
29 homicide (RCW 46.61.520), hit and run death (RCW 46.52.020(4)(a)), or
30 manslaughter 2 (RCW 9A.32.070); or

31 (iv) Violation of the uniform controlled substances act (RCW
32 69.50.401(2) (a) and (b)), when the offense includes infliction of
33 bodily harm upon another or when during the commission or immediate
34 withdrawal from the offense the respondent was armed with a deadly
35 weapon;

36 (c) Is ordered to serve a disposition for a firearm violation
37 under RCW 13.40.193;

38 (d) Is adjudicated of a sex offense as defined in RCW 9.94A.030;
39 or

40 (e) Has a prior option B disposition.

1 OR

2 OPTION C

3 CHEMICAL DEPENDENCY/MENTAL HEALTH DISPOSITION ALTERNATIVE

4 If the juvenile offender is subject to a standard range
5 disposition of local sanctions or 15 to 36 weeks of confinement and
6 has not committed a B++ or B+ offense, the court may impose a
7 disposition under RCW 13.40.160(4) and 13.40.165.

8 OR

9 OPTION D

10 MANIFEST INJUSTICE

11 If the court determines that a disposition under option A, B, or C
12 would effectuate a manifest injustice, the court shall impose a
13 disposition outside the standard range under RCW 13.40.160(2).

14 **Sec. 9.** RCW 13.40.160 and 2011 c 338 s 2 are each amended to
15 read as follows:

16 (1) The standard range disposition for a juvenile adjudicated of
17 an offense is determined according to RCW 13.40.0357.

18 (a) When the court sentences an offender to a local sanction as
19 provided in RCW 13.40.0357 option A, the court shall impose a
20 determinate disposition within the standard ranges, except as
21 provided in subsection (2), (3), (4), (5), or (6) of this section.
22 The disposition may be comprised of one or more local sanctions.

23 (b) When the court sentences an offender to a standard range as
24 provided in RCW 13.40.0357 option A that includes a term of
25 confinement exceeding thirty days, commitment shall be to the
26 department for the standard range of confinement, except as provided
27 in subsection (2), (3), (4), (5), or (6) of this section.

28 (2) If the court concludes, and enters reasons for its
29 conclusion, that disposition within the standard range would
30 effectuate a manifest injustice the court shall impose a disposition
31 outside the standard range, as indicated in option D of RCW
32 13.40.0357. The court's finding of manifest injustice shall be
33 supported by clear and convincing evidence.

34 A disposition outside the standard range shall be determinate and
35 shall be comprised of confinement or community supervision, or a
36 combination thereof. When a judge finds a manifest injustice and
37 imposes a sentence of confinement exceeding thirty days, the court

1 shall sentence the juvenile to a maximum term, and the provisions of
2 RCW 13.40.030(2) shall be used to determine the range. A disposition
3 outside the standard range is appealable under RCW 13.40.230 by the
4 state or the respondent. A disposition within the standard range is
5 not appealable under RCW 13.40.230.

6 (3) If a juvenile offender is found to have committed a sex
7 offense, other than a sex offense that is also a serious violent
8 offense as defined by RCW 9.94A.030, and has no history of a prior
9 sex offense, the court may impose the special sex offender
10 disposition alternative under RCW 13.40.162.

11 (4) If the juvenile offender is subject to a standard range
12 disposition of local sanctions or 15 to 36 weeks of confinement and
13 has not committed an A- or B+ offense, the court may impose the
14 disposition alternative under RCW 13.40.165.

15 (5) If a juvenile is subject to a commitment of 15 to 65 weeks of
16 confinement, the court may impose the disposition alternative under
17 RCW 13.40.167.

18 (6) When the offender is subject to a standard range commitment
19 of 15 to 36 weeks and is ineligible for a suspended disposition
20 alternative, a manifest injustice disposition below the standard
21 range, special sex offender disposition alternative, chemical
22 dependency disposition alternative, or mental health disposition
23 alternative, the court in a county with a pilot program under RCW
24 13.40.169 may impose the disposition alternative under RCW 13.40.169.

25 (7) RCW 13.40.193 shall govern the disposition of any juvenile
26 adjudicated of possessing a firearm in violation of RCW
27 9.41.040(2)(a) (~~(iii)~~) (vi) or any crime in which a special finding
28 is entered that the juvenile was armed with a firearm.

29 (8) RCW 13.40.308 shall govern the disposition of any juvenile
30 adjudicated of theft of a motor vehicle as defined under RCW
31 9A.56.065, possession of a stolen motor vehicle as defined under RCW
32 9A.56.068, taking a motor vehicle without permission in the first
33 degree under RCW 9A.56.070, and taking a motor vehicle without
34 permission in the second degree under RCW 9A.56.075.

35 (9) Whenever a juvenile offender is entitled to credit for time
36 spent in detention prior to a dispositional order, the dispositional
37 order shall specifically state the number of days of credit for time
38 served.

39 (10) Except as provided under subsection (3), (4), (5), or (6) of
40 this section, or option B of RCW 13.40.0357, or RCW 13.40.127, the

1 court shall not suspend or defer the imposition or the execution of
2 the disposition.

3 (11) In no case shall the term of confinement imposed by the
4 court at disposition exceed that to which an adult could be subjected
5 for the same offense.

6 **Sec. 10.** RCW 13.40.193 and 2019 c 64 s 4 are each amended to
7 read as follows:

8 (1) If a respondent is found to have been in possession of a
9 firearm in violation of RCW 9.41.040(2)(a)(~~(v)~~) (vi), the court
10 shall impose a minimum disposition of ten days of confinement. If the
11 offender's standard range of disposition for the offense as indicated
12 in RCW 13.40.0357 is more than thirty days of confinement, the court
13 shall commit the offender to the department for the standard range
14 disposition. The offender shall not be released until the offender
15 has served a minimum of ten days in confinement.

16 (2)(a) If a respondent is found to have been in possession of a
17 firearm in violation of RCW 9.41.040, the disposition must include a
18 requirement that the respondent participate in a qualifying program
19 as described in (b) of this subsection, when available, unless the
20 court makes a written finding based on the outcome of the juvenile
21 court risk assessment that participation in a qualifying program
22 would not be appropriate.

23 (b) For purposes of this section, "qualifying program" means an
24 aggression replacement training program, a functional family therapy
25 program, or another program applicable to the juvenile firearm
26 offender population that has been identified as evidence-based or
27 research-based and cost-beneficial in the current list prepared at
28 the direction of the legislature by the Washington state institute
29 for public policy.

30 (3) If the court finds that the respondent or an accomplice was
31 armed with a firearm, the court shall determine the standard range
32 disposition for the offense pursuant to RCW 13.40.160. If the
33 offender or an accomplice was armed with a firearm when the offender
34 committed any felony other than possession of a machine gun or bump-
35 fire stock, possession of a stolen firearm, drive-by shooting, theft
36 of a firearm, unlawful possession of a firearm in the first and
37 second degree, or use of a machine gun or bump-fire stock in a
38 felony, the following periods of total confinement must be added to
39 the sentence: (a) Except for (b) of this subsection, for a class A

1 felony, six months; for a class B felony, four months; and for a
2 class C felony, two months; (b) for any violent offense as defined in
3 RCW 9.94A.030, committed by a respondent who is sixteen or seventeen
4 years old at the time of the offense, a period of twelve months. The
5 additional time shall be imposed regardless of the offense's juvenile
6 disposition offense category as designated in RCW 13.40.0357.

7 (4) (a) If the court finds that the respondent who is sixteen or
8 seventeen years old and committed the offense of robbery in the first
9 degree, drive-by shooting, rape of a child in the first degree,
10 burglary in the first degree, or any violent offense as defined in
11 RCW 9.94A.030 and was armed with a firearm, and the court finds that
12 the respondent's participation was related to membership in a
13 criminal street gang or advancing the benefit, aggrandizement, gain,
14 profit, or other advantage for a criminal street gang, a period of
15 three months total confinement must be added to the sentence. The
16 additional time must be imposed regardless of the offense's juvenile
17 disposition offense category as designated in RCW 13.40.0357 and must
18 be served consecutively with any other sentencing enhancement.

19 (b) For the purposes of this section, "criminal street gang"
20 means any ongoing organization, association, or group of three or
21 more persons, whether formal or informal, having a common name or
22 common identifying sign or symbol, having as one of its primary
23 activities the commission of criminal acts, and whose members or
24 associates individually or collectively engage in or have engaged in
25 a pattern of criminal street gang activity. This definition does not
26 apply to employees engaged in concerted activities for their mutual
27 aid and protection, or to the activities of labor and bona fide
28 nonprofit organizations or their members or agents.

29 (5) When a disposition under this section would effectuate a
30 manifest injustice, the court may impose another disposition. When a
31 judge finds a manifest injustice and imposes a disposition of
32 confinement exceeding thirty days, the court shall commit the
33 juvenile to a maximum term, and the provisions of RCW 13.40.030(2)
34 shall be used to determine the range. When a judge finds a manifest
35 injustice and imposes a disposition of confinement less than thirty
36 days, the disposition shall be comprised of confinement or community
37 supervision or both.

38 (6) Any term of confinement ordered pursuant to this section
39 shall run consecutively to any term of confinement imposed in the
40 same disposition for other offenses.

1 **Sec. 11.** RCW 13.40.265 and 2016 c 136 s 6 are each amended to
2 read as follows:

3 (1) If a juvenile thirteen years of age or older is found by
4 juvenile court to have committed an offense while armed with a
5 firearm or an offense that is a violation of RCW 9.41.040(2)(a)
6 (~~((iv))~~) (vi) or chapter 66.44, 69.41, 69.50, or 69.52 RCW, the court
7 shall notify the department of licensing within twenty-four hours
8 after entry of the judgment, unless the offense is the juvenile's
9 first offense while armed with a firearm, first unlawful possession
10 of a firearm offense, or first offense in violation of chapter 66.44,
11 69.41, 69.50, or 69.52 RCW.

12 (2) Except as otherwise provided in subsection (3) of this
13 section, upon petition of a juvenile who has been found by the court
14 to have committed an offense that is a violation of chapter 66.44,
15 69.41, 69.50, or 69.52 RCW, the court may at any time the court deems
16 appropriate notify the department of licensing that the juvenile's
17 driving privileges should be reinstated.

18 (3) If the offense is the juvenile's second or subsequent
19 violation of chapter 66.44, 69.41, 69.50, or 69.52 RCW, the juvenile
20 may not petition the court for reinstatement of the juvenile's
21 privilege to drive revoked pursuant to RCW 46.20.265 until the date
22 the juvenile turns seventeen or one year after the date judgment was
23 entered, whichever is later.

24 **Sec. 12.** RCW 28A.400.210 and 2000 c 231 s 1 are each amended to
25 read as follows:

26 Every school district board of directors may, in accordance with
27 chapters 41.56 and 41.59 RCW, establish an attendance incentive
28 program for all certificated and classified employees in the
29 following manner, including covering persons who were employed during
30 the 1982-'83 school year:

31 (1) In January of the year following any year in which a minimum
32 of sixty days of leave for illness or injury is accrued, and each
33 January thereafter, any eligible employee may exercise an option to
34 receive remuneration for unused leave for illness or injury
35 accumulated in the previous year at a rate equal to one day's
36 monetary compensation of the employee for each four full days of
37 accrued leave for illness or injury in excess of sixty days. Leave
38 for illness or injury for which compensation has been received shall
39 be deducted from accrued leave for illness or injury at the rate of

1 four days for every one day's monetary compensation. No employee may
2 receive compensation under this section for any portion of leave for
3 illness or injury accumulated at a rate in excess of one day per
4 month.

5 (2) Except as provided in RCW 28A.400.212, at the time of
6 separation from school district employment an eligible employee or
7 the employee's estate shall receive remuneration at a rate equal to
8 one day's current monetary compensation of the employee for each four
9 full days accrued leave for illness or injury. For purposes of this
10 subsection, "eligible employee" means (a) employees who separate from
11 employment due to retirement or death; (b) employees who separate
12 from employment and who are at least age fifty-five and have at least
13 ten years of service under the teachers' retirement system plan 3 as
14 defined in RCW 41.32.010(~~((+40+))~~) (33), or under the Washington school
15 employees' retirement system plan 3 as defined in RCW
16 41.35.010(~~((+31+))~~) (25); or (c) employees who separate from employment
17 and who are at least age fifty-five and have at least fifteen years
18 of service under the teachers' retirement system plan 2 as defined in
19 RCW 41.32.010(~~((+39+))~~) (32), under the Washington school employees'
20 retirement system plan 2 as defined in RCW 41.35.010(~~((+30+))~~) (24), or
21 under the public employees' retirement system plan 2 as defined in
22 RCW 41.40.010(~~((+34+))~~) (28).

23 (3) In lieu of remuneration for unused leave for illness or
24 injury as provided in subsections (1) and (2) of this section, a
25 school district board of directors may, with equivalent funds,
26 provide eligible employees a benefit plan that provides reimbursement
27 for medical expenses. Any benefit plan adopted after July 28, 1991,
28 shall require, as a condition of participation under the plan, that
29 the employee sign an agreement with the district to hold the district
30 harmless should the United States government find that the district
31 or the employee is in debt to the United States as a result of the
32 employee not paying income taxes due on the equivalent funds placed
33 into the plan, or as a result of the district not withholding or
34 deducting any tax, assessment, or other payment on such funds as
35 required under federal law.

36 Moneys or benefits received under this section shall not be
37 included for the purposes of computing a retirement allowance under
38 any public retirement system in this state.

1 The superintendent of public instruction in its administration
2 hereof, shall promulgate uniform rules and regulations to carry out
3 the purposes of this section.

4 Should the legislature revoke any benefits granted under this
5 section, no affected employee shall be entitled thereafter to receive
6 such benefits as a matter of contractual right.

7 **Sec. 13.** RCW 41.05.175 and 2011 c 159 s 2 are each amended to
8 read as follows:

9 (1) Each health plan offered to public employees and their
10 covered dependents under this chapter, including those subject to the
11 provision of Title 48 RCW, and is issued or renewed beginning January
12 1, 2012, and provides coverage for cancer chemotherapy treatment must
13 provide coverage for prescribed, self-administered anticancer
14 medication that is used to kill or slow the growth of cancerous cells
15 on a basis at least comparable to cancer chemotherapy medications
16 administered by a health care provider or facility as defined in RCW
17 48.43.005 (~~((15) and (16))~~) (25) and (26).

18 (2) Nothing in this section may be interpreted to prohibit a
19 health plan from administering a formulary or preferred drug list,
20 requiring prior authorization, or imposing other appropriate
21 utilization controls in approving coverage for any chemotherapy.

22 **Sec. 14.** RCW 43.09.025 and 1995 c 301 s 2 are each amended to
