**HOUSE BILL 2327**

---

**State of Washington**

**68th Legislature**

**2024 Regular Session**

**By** Representatives Gregerson and Ryu

1 AN ACT Relating to providing a revenue stream to fund digital  
2 equity programs; amending RCW 82.32.145 and 80.36.710; adding a new  
3 section to chapter 82.08 RCW; adding a new section to chapter 28A.650  
4 RCW; adding a new chapter to Title 82 RCW; creating a new section;  
5 prescribing penalties; providing an effective date; and providing an  
6 expiration date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** INTENT. The legislature finds that many  
9 Washingtonians do not have access to adequate and affordable internet  
10 or internet-connected devices, making them unable to participate  
11 fully online. The legislature finds that connectivity to the internet  
12 enables residents to access school, work, job training, elder care  
13 and family connections, faith programs, health care, farming  
14 resources, civic participation, and much more. The legislature finds  
15 that this digital inequity affects communities all over the state,  
16 including rural, urban, and suburban areas, and on tribal lands.

17 The legislature finds that over 1,200,000 Washingtonians qualify  
18 for the affordable connectivity program operated by the federal  
19 communications commission, which subsidizes internet service and  
20 digital devices, and 330,000 have utilized this program as of  
21 December 2023. However, the legislature finds that future federal

1 funding for the program is uncertain. The legislature finds that  
2 225,000 households in Washington earn more than the income cutoff for  
3 the affordable connectivity program, but not enough to cover average  
4 living expenses according to the federal self-sufficiency standard  
5 developed by the University of Washington.

6 The legislature finds that state agencies need funding to adapt  
7 their programs to include digital access and adoption. The  
8 legislature further finds that there is a need to fund community-  
9 based organizations and to build public private partnerships to reach  
10 customers who qualify for subsidies and digital skill building.

11 NEW SECTION. **Sec. 2.** DEFINITIONS. The definitions in this  
12 section apply throughout this chapter unless the context clearly  
13 requires otherwise.

14 (1) "Buyer" has the same meaning as in RCW 82.08.010.

16 (b) "Retail sale" also means the transfer of a smart wireless  
17 device to a buyer that is partially or fully discounted by the seller  
18 in exchange for the buyer purchasing other products or services

21 (4) (a) "Selling price" has the same meaning as in RCW 82.08.010.

22 (b) "Selling price" also means:

23 (i) In the case of a smart wireless device that is sold to the  
24 buyer under conditions where the selling price does not represent the  
25 true value of the smart wireless device and is sold together with  
26 other products or services for one nonitemized price, the retail  
27 selling price of the same product or similar products of like quality  
28 and character, sold in an arm's length transaction; and

29 (ii) In the case of installment sales of a smart wireless device,

37 NEW SECTION. **Sec. 3.** WIRELESS DEVICE TAX. (1) There is levied  
38 and collected a tax on each retail sale in this state of a smart

1 wireless device. The amount of the tax is \$2 for a device with a  
2 selling price of more than \$250.

3 (2) The revenue collected under this section must be deposited in  
4 the learning device and technology account created in section 9 of  
5 this act.

6 NEW SECTION. **Sec. 4.** PAYMENT OF TAX. (1) The tax imposed in  
7 this chapter must be paid by the buyer to the seller. Each seller  
8 must collect from the buyer the full amount of the tax payable with  
9 respect to each taxable sale.

10 (2) The tax required by this chapter, to be collected by the  
11 seller, is held in trust by the seller until paid to the department.  
12 Any seller who appropriates or converts the tax collected to the  
13 seller's own use or to any use other than the payment of the tax to  
14 the extent that the money required to be collected is not available  
15 for payment on the due date as prescribed in this chapter is guilty  
16 of a gross misdemeanor.

17 (3) If any seller fails to collect the tax imposed in this  
18 chapter or, having collected the tax, fails to pay it to the  
19 department in the manner prescribed by this chapter, whether such  
20 failure is the result of the seller's own acts or the result of acts  
21 or conditions beyond the seller's control, the seller is,  
22 nevertheless, personally liable to the state for the amount of the  
23 tax.

24 (4) The tax required by this chapter to be collected by the  
25 seller must be stated separately from the selling price in any sales  
26 invoice or other instrument of sale.

27 NEW SECTION. **Sec. 5.** ADMINISTRATION. Chapter 82.32 RCW applies  
28 to the administration of this chapter.

35 created in section 9 of this act.

36 (2) At least 30 days prior to the start of each new quarter, the  
37 department shall notify the treasurer of the amount of sales tax

1 revenues to be transferred from the state general fund to the  
2 learning device and technology account.

3 (3) For the purposes of this section, "smart wireless device" has  
4 the same meaning as in section 2 of this act.

5 **Sec. 7.** RCW 82.32.145 and 2020 c 301 s 6 are each amended to  
6 read as follows:

7 (1) Whenever the department has issued a warrant under RCW  
8 82.32.210 for the collection of unpaid trust fund taxes from a  
9 limited liability business entity and that business entity has been  
10 terminated, dissolved, or abandoned, or is insolvent, the department  
11 may pursue collection of the entity's unpaid trust fund taxes,  
12 including penalties and interest on those taxes, against any or all  
13 of the responsible individuals. For purposes of this subsection,  
14 "insolvent" means the condition that results when the sum of the  
15 entity's debts exceeds the fair market value of its assets. The

18 liabilities.

19 (2) Personal liability under this section may be imposed for  
20 state and local trust fund taxes.

21 (3)(a) For a responsible individual who is the current or a  
22 former chief executive or chief financial officer, liability under  
23 this section applies regardless of fault or whether the individual  
24 was or should have been aware of the unpaid trust fund tax liability  
25 of the limited liability business entity.

26 (b) For any other responsible individual, liability under this  
27 section applies only if he or she willfully fails to pay or to cause  
28 to be paid to the department the trust fund taxes due from the  
29 limited liability business entity.

30 (4)(a) Except as provided in this subsection (4)(a), a  
31 responsible individual who is the current or a former chief executive  
32 or chief financial officer is liable under this section only for  
33 trust fund tax liability accrued during the period that he or she was  
34 the chief executive or chief financial officer. However, if the  
35 responsible individual had the responsibility or duty to remit  
36 payment of the limited liability business entity's trust fund taxes  
37 to the department during any period of time that the person was not  
38 the chief executive or chief financial officer, that individual is  
39 also liable for trust fund tax liability that became due during the

1 period that he or she had the duty to remit payment of the limited  
2 liability business entity's taxes to the department but was not the  
3 chief executive or chief financial officer.

9 exempt from liability under this section in situations where  
10 nonpayment of the limited liability business entity's trust fund  
11 taxes is due to reasons beyond their control as determined by the  
12 department by rule.

13 (6) Any person having been issued a notice of assessment under  
14 this section is entitled to the appeal procedures under RCW  
15 82.32.160, 82.32.170, 82.32.180, 82.32.190, and 82.32.200.

16 (7) This section does not relieve the limited liability business

18 collection remedies afforded by law.
