2 but less than eight thousand hours of work are required for the
3 certificate;

4 (d) Ninety-six hours of in-class education if eight thousand or

6 (2) For purposes of this section, "in-class education" means
7 approved classroom training covering this chapter, the national
8 electric code, or electrical theory; or equivalent classroom training
9 taken as part of an approved apprenticeship program under chapter 49.04
10 RCW or an approved electrical training program under RCW
11 19.28.191(1)(h).

12 (3) Classroom training taken to qualify for trainee certificate
13 renewal under RCW 19.28.161 qualifies as in-class education under this

15 **Sec. 2.** RCW 19.28.181 and 2001 c 211 s 12 are each amended to read
16 as follows:

17 Any person desiring to be issued a certificate of competency as
18 provided in this chapter shall deliver evidence in a form prescribed by
19 the department affirming that said person has met the qualifications
20 required under RCW 19.28.191 and section 1 of this act. An electrician
21 from another jurisdiction applying for a certificate of competency must
22 provide evidence in a form prescribed by the department affirming that
23 the person has the equivalent qualifications to those required under
24 RCW 19.28.191.

25 **Sec. 3.** RCW 19.28.211 and 2009 c 36 s 8 are each amended to read
26 as follows:

27 (1) The department shall issue a certificate of competency to all
28 applicants who have passed the examination provided in RCW 19.28.201,
29 met the in-class education requirements of section 1 of this act if
30 applicable, and who have complied with RCW 19.28.161 through 19.28.271
31 and the rules adopted under this chapter. The certificate may include
32 a photograph of the holder. The certificate shall bear the date of
33 issuance, and shall expire on the holder's birthday. The certificate
34 shall be renewed every three years, upon application, on or before the
35 holder's birthdate. A fee shall be assessed for each certificate and
36 for each annual renewal.

1 (2) If the certificate holder demonstrates to the department that
2 he or she has satisfactorily completed an annual eight-hour continuing
3 education course, the certificate may be renewed without examination by
4 appropriate application unless the certificate has been revoked,
5 suspended, or not renewed within ninety days after the expiration date.
6 For pump and irrigation or domestic pump specialty electricians, the
7 continuing education course may combine both electrical and plumbing
8 education provided that there is a minimum of four hours of electrical
9 training in the course.

10 (a) The contents and requirements for satisfactory completion of
11 the continuing education course shall be determined by the director and
12 approved by the board.

13 (b) The department shall accept proof of a certificate holder's
14 satisfactory completion of a continuing education course offered in
15 another state as meeting the requirements for maintaining a current
16 Washington state certificate of competency if the department is
17 satisfied the course is comparable in nature to that required in
18 Washington state for maintaining a current certificate of competency.

19 (3) If the certificate is not renewed before the expiration date,
20 the individual shall pay twice the usual fee. The department shall set
21 the fees by rule for issuance and renewal of a certificate of
22 competency. The fees shall cover but not exceed the costs of issuing
23 the certificates and of administering and enforcing the electrician
24 certification requirements of this chapter.

25 (4) The certificates of competency and temporary permits provided
26 for in this chapter grant the holder the right to work in the
27 electrical construction trade as a master electrician, journeyman
28 electrician, or specialty electrician in accordance with their
29 provisions throughout the state and within any of its political
30 subdivisions without additional proof of competency or any other
31 license, permit, or fee to engage in such work.

32 NEW SECTION. **Sec. 4.** This act takes effect July 1, 2013.
