16 (c) The psychology interjurisdictional compact is intended to 17 regulate the temporary in-person, face-to-face practice of psychology 18 by psychologists across state boundaries for thirty days within a 19 calendar year in the performance of their psychological practice as 20 assigned by an appropriate authority; 1 (d) The psychology interjurisdictional compact is intended to 2 authorize state psychology regulatory authorities to afford legal 3 recognition, in a manner consistent with the terms of the compact, to 4 psychologists licensed in another state;

15 (2) Consistent with the findings of subsection (1) of this 16 section, the psychology interjurisdictional compact is designed to 17 achieve the following purposes and objectives:

(d) Facilitate the exchange of information between compact states
 regarding psychologist licensure, adverse actions, and disciplinary
 history;

(e) Promote compliance with the laws governing psychologicalpractice in each compact state; and

(f) Invest all compact states with the authority to hold licensed psychologists accountable through the mutual recognition of compact state licenses.

A distant state may, in accordance with that 8 state's due process law, limit or revoke a psychologist's temporary 9 authorization to practice in the distant state and may take other 10 11 necessary actions under the distant state's applicable law to protect 12 the health and safety of the distant state's citizens. (6) Nothing in this compact overrides a compact state's decision that a psychologist's participation in an alternative program may be used in lieu of adverse action and that such participation remains nonpublic if required by the compact state's law. Compact states must require psychologists who enter any alternative programs to not provide telepsychology services under the authority to practice interjurisdictional telepsychology services under the temporary

HB 2408

authorization to practice in any other compact state during the term
 of the alternative program.

20 (b) Issue cease and desist or injunctive relief orders to revoke 21 a psychologist's authority to practice interjurisdictional 22 telepsychology or temporary authorization to practice.

(2) During the course of any investigation, a psychologist may 23 24 not change his or her home state licensure. A home state psychology 25 regulatory authority may complete any pending investigations of a psychologist and take any actions appropriate under its law. The home 26 27 state psychology regulatory authority must promptly report the 28 conclusions of the investigations to the commission. Once an 29 investigation has been completed, and pending the outcome of the 30 investigation, the psychologist may change his or her home state licensure. All 32 information provided to the commission or distributed by compact 33 states under the investigation of the psychologist is confidential, 34 filed under seal, and used for investigatory or disciplinary matters. 35 commission may create additional rules for mandated or 36 The 37 discretionary sharing of information by compact states.

<u>NEW SECTION.</u> Sec. 10. (3) The coordinated database administrator must promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

(4) Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

32 (5) Any information submitted to the coordinated database that is 33 subsequently required to be expunded by the law of the compact state 34 reporting the information must be removed from the coordinated 35 database.

The aggregate annual assessment amount must be allocated based upon a formula to be determined by the commission which must 7 adopt rules binding upon all compact states. 8

9 (d) The commission may not incur obligations of any kind before 10 securing the funds adequate to meet these obligations. It may not 11 pledge the credit of any of the compact states, except by and with 12 the authority of the compact state.

(e) The commission must keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission are subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission must be audited yearly by a certified or licensed public accountant and the report of the audit must be included in and become part of the annual report of the commission.

(7) (a) The members, officers, executive director, employees, and 20 21 representatives of the commission are immune from suit and liability, 22 either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil 23 liability caused by or arising out of any actual or alleged act, 24 25 error, or omission that occurred, or that the person against whom the 26 claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities. 27 28 Nothing in this subsection may be construed to protect any such 29 person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that 30 31 person.

32 (b) The commission must defend any member, officer, executive director, employee, or representative of the commission in any civil 33 action seeking to impose liability arising out of any actual or 34 alleged act, error, or omission that occurred within the scope of 35 36 commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for 37 believing occurred within the scope of commission employment, duties, 38 39 or responsibilities, if the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton 40

1 misconduct. This subsection does not prohibit the person from 2 retaining his or her own counsel.

(c) The commission must indemnify and hold harmless any member, 3 officer, executive director, employee, or representative of the 4 commission for the amount of any settlement or judgment obtained 5 against that person arising out of any actual or alleged act, error, 6 7 or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable 8 basis for believing occurred within the scope of commission 9 employment, duties, or responsibilities, if the actual or alleged 10 act, error, or omission did not result from the intentional or 11 12 willful or wanton misconduct of that person.

13 <u>NEW SECTION.</u> Sec. 12. (1) The commission must exercise its 14 rule-making powers under the criteria set forth in this section and 15 the rules adopted under this section. Rules and amendments become 16 binding as of the date specified in each rule or amendment.

17 (2) If a majority of the legislatures of the compact states 18 reject a rule, by enactment of a statute or resolution in the same 19 manner used to adopt the psychology interjurisdictional compact, the 20 rule will have no further force and effect in any compact state.

(3) Rules or amendments to the rules must be adopted at a regularor special meeting of the commission.

(4) Before adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule will be considered and voted upon, the commission must file a notice of proposed rule making:

27

(a) On the web site of the commission; and

(b) On the web site of each compact state's psychology regulatory authority or the publication in which each state would otherwise publish proposed rules.

31

(5) The notice of proposed rule making must include:

32 (a) The proposed time, date, and location of the meeting in which33 the rule will be considered and voted upon;

34 (b) The text of the proposed rule or amendment and the reason for 35 the proposed rule;

36 (c) A request for comments on the proposed rule from any 37 interested person; and 1 (d) The manner in which interested persons may submit notice to 2 the commission of their intention to attend the public hearing and 3 any written comments.

4 (6) Before adoption of a proposed rule, the commission must allow
5 persons to submit written data, facts, opinions, and arguments, which
6 must be made available to the public.

7 (7) The commission must grant an opportunity for a public hearing
8 before it adopts a rule or amendment if a hearing is requested by:

9 (a) At least twenty-five persons who submit comments 10 independently of each other;

11

(b) A governmental subdivision or agency; or

12 (c) A duly appointed person in an association that has at least 13 twenty-five members.

14 (8) If a hearing is held on the proposed rule or amendment, the 15 commission must publish the place, time, and date of the scheduled 16 public hearing.

(a) All persons wishing to be heard at the hearing must notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(b) Hearings must be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(c) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript must bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subsection does not preclude the commission from making a transcript or recording of the hearing if it so chooses.

32 (d) This section does not require a separate hearing on each 33 rule. Rules may be grouped for the convenience of the commission at 34 hearings required by this section.

(9) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission must consider all written and oral comments received.

38 (10) The commission must, by majority vote of all members, take 39 final action on the proposed rule and must determine the effective

1 date of the rule, if any, based on the rule making record and the 2 full text of the rule.

3 (11) If no written notice of intent to attend the public hearing 4 by interested parties is received, the commission may proceed with 5 adoption of the proposed rule without a public hearing.

6 (12) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, 7 opportunity for comment, or hearing, if the usual rule-making 8 procedures provided in the psychology interjurisdictional compact and 9 in this section are retroactively applied to the rule as soon as 10 11 reasonably possible, in no event more than ninety days after the 12 effective date of the rule. For the purposes of this subsection, an emergency rule is one that must be adopted immediately in order to: 13

14 (a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of commission or compact state funds;

16 (c) Meet a deadline for the adoption of an administrative rule 17 that is established by federal law or rule; or

18

15

(d) Protect public health and safety.

(13) The commission or an authorized committee of the commission 19 may direct revisions to a previously adopted rule or amendment for 20 21 purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions 22 23 must be posted on the web site of the commission. The revision is subject to challenge by any person for a period of thirty days after 24 25 posting. The revision may be challenged only on grounds that the 26 revision results in a material change to a rule. A challenge must be made in writing and delivered to the chair of the commission before 27 28 the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is 29 30 challenged, the revision may not take effect without the approval of 31 the commission.

32 <u>NEW SECTION.</u> Sec. 13. (1)(a) The executive, legislative, and 33 judicial branches of state government in each compact state must 34 enforce the psychology interjurisdictional compact and take all 35 actions necessary and appropriate to effectuate the compact's 36 purposes and intent. The provisions of this compact and the rules 37 adopted under this compact have standing as statutory law.

38 (b) All courts must take judicial notice of the compact and the 39 rules in any judicial or administrative proceeding in a compact state

1 pertaining to the subject matter of this compact which may affect the 2 powers, responsibilities, or actions of the commission.

3 (c) The commission must receive service of process in any such 4 proceeding and has standing to intervene in such a proceeding for all 5 purposes. Failure to provide service of process to the commission 6 renders a judgment or order void as to the commission, this compact, 7 or rules adopted under this compact.

8 (2)(a) If the commission determines that a compact state has 9 defaulted in the performance of its obligations or responsibilities 10 under the psychology interjurisdictional compact or rules adopted 11 under this compact, the commission must:

12 (i) Provide written notice to the defaulting state and other 13 compact states of the nature of the default, the proposed means of 14 remedying the default, or any other action to be taken by the 15 commission; and

16 (ii) Provide remedial training and specific technical assistance 17 regarding the default.

(b) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges, and benefits conferred by this compact are terminated on the effective date of the termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(c) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or termination must be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

31 (d) A compact state which has been terminated is responsible for 32 all assessments, obligations, and liabilities incurred through the 33 effective date of termination, including obligations which extend 34 beyond the effective date of termination.

35 (e) The commission shall not bear any costs incurred by the state 36 which is found to be in default or which has been terminated from the 37 compact, unless agreed upon in writing between the commission and the 38 defaulting state.

(f) The defaulting state may appeal the action of the commission by petitioning the United States district court for the state of

Georgia or the federal district where the compact has its principal offices. The prevailing member must be awarded all costs of the litigation, including reasonable attorneys' fees.

4 (3)(a) Upon request by a compact state, the commission must 5 attempt to resolve disputes related to the compact that arise among 6 compact states and between compact and noncompact states.

7 (b) The commission must adopt a rule providing for both mediation 8 and binding dispute resolution for disputes that arise before the 9 commission.

10 (4)(a) The commission, in the reasonable exercise of its 11 discretion, must enforce the provisions and rules of the psychology 12 interjurisdictional compact.

(b) By majority vote, the commission may initiate legal action in 13 the United States district court for the state of Georgia or the 14 federal district where the compact has its principal offices against 15 16 a compact state in default to enforce compliance with the provisions of the compact and its adopted rules and bylaws. The relief sought 17 18 may include both injunctive relief and damages. If judicial enforcement is necessary, the prevailing member must be awarded all 19 costs of such litigation, including reasonable attorneys' fees. 20

(c) The remedies in this section are not the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

NEW SECTION. Sec. 14. (1) This chapter takes effect on the date on which the compact is enacted into law in the seventh compact state. The provisions that become effective at that time are limited to the powers granted to the commission relating to the assembly and the adoption of rules. Thereafter, the commission must meet and exercise rule-making powers necessary to the implementation and administration of the compact.

31 (2) Any state which joins the compact subsequent to the 32 commission's initial adoption of the rules are subject to the rules 33 as they exist on the date on which the compact becomes law in that 34 state. Any rule which has been previously adopted by the commission 35 has the full force and effect of law on the day the compact becomes 36 law in that state.

37 (3) Any compact state may withdraw from this compact by enacting38 a statute repealing the compact.

(a) A compact state's withdrawal does not take effect until six
 months after enactment of the repealing statute.

3 (b) Withdrawal does not affect the continuing requirements of the 4 withdrawing state's psychology regulatory authority to comply with 5 the investigative and adverse action reporting requirements of this 6 chapter before the effective date of withdrawal.

7 (4) Nothing contained in the psychology interjurisdictional 8 compact may be construed to invalidate or prevent any psychology 9 licensure agreement or other cooperative arrangement between a 10 compact state and a noncompact state which does not conflict with the 11 provisions of this compact.

12 (5) This compact may be amended by the compact states. No 13 amendment to this compact becomes effective and binding upon any 14 compact state until it is enacted into the law of all compact states.

15 <u>NEW SECTION.</u> Sec. 15. The psychology interjurisdictional 16 compact must be liberally construed so as to effectuate the purposes 17 of the compact. If the compact is held to be contrary to the 18 constitution of any state member to the compact, the compact remains 19 in full force and effect as to the remaining compact states.

20 <u>NEW SECTION.</u> Sec. 16. The department of health must provide 21 written notice of the effective date of section 14 of this act to 22 affected parties, the chief clerk of the house of representatives, 23 the secretary of the senate, the office of the code reviser, and 24 others as deemed appropriate by the department.

25 <u>NEW SECTION.</u> Sec. 17. Sections 1 through 16 of this act 26 constitute a new chapter in Title 18 RCW.
