4 under general state election laws and who resides within the
5 district. Each qualified voter or elector is entitled to vote in an
6 irrigation district election for his or her district.

7 (2) Any qualified voter may become a candidate for a director
8 position by filing a declaration of candidacy as provided in chapter

13 filing a declaration of candidacy hereunder, shall file with the
14 secretary of the district a petition of nomination signed by at least
15 ten qualified electors of the district, or of the division if the
16 district has been divided into director divisions, not later than

2 read as follows:

3 (1) The board of directors may, at any time when in their
4 judgment it may be advisable, (~~call~~) request a special election
5 (~~and~~), consistent with RCW 29A.04.330, to submit to the qualified

7 special assessment shall be levied for the purpose of raising money
8 to be applied to any of the purposes provided in this chapter
9 including any purpose for which the bonds of the district or the
10 proceeds thereof might be lawfully used. Such election must be called
11 upon the notice prescribed, and the same shall be held and the result
12 thereof determined and declared in all respects in conformity with
13 the provisions of Title 29A RCW and RCW 87.03.200. The notice must
14 specify the amount of money proposed to be raised and the purpose for
15 which it is intended to be used and the number of installments in
16 which it is to be paid. At such election the ballot shall contain the
17 words "Assessment Yes" and "Assessment No." If the majority of the
18 votes cast are "Assessment Yes" the board may immediately or at
19 intervals thereafter incur indebtedness to the amount of said special
20 assessment for any of the purposes for which the proceeds of said
21 assessment may be used, and may provide for the payment of said
22 indebtedness by the issue and sale of notes of the district to an
23 amount equal to said authorized indebtedness, which notes shall be
24 payable in such equal installments not exceeding three in number as
25 the board shall direct. Said notes shall be payable by assessments
26 levied at the time of the regular annual levy each year thereafter
27 until fully paid. The amount of the assessments to be levied shall be
28 ascertained by adding fifteen percent for anticipated delinquencies
29 to the whole amount of the indebtedness incurred and interest. Each
30 assessment so levied shall be computed and entered on the assessment
31 roll by the secretary of the board, and collected at the same time
32 and in the same manner as other assessments provided for herein, and
33 when collected shall be paid to the county treasurer of the county to

35 of such special election: PROVIDED, HOWEVER, That the board of
36 directors may at their discretion issue said notes in payment for
37 labor or material, or both, used in connection with the purposes for
38 which such indebtedness was authorized. Notes issued under this
39 section shall bear interest at a rate determined by the board,

1 payable semiannually. Such notes may be in any form, including bearer
2 notes or registered notes as provided in RCW 39.46.030.

3 (2) Notwithstanding subsection (1) of this section, such notes

16 quarter of the qualified voters who reside in the acreage proposed to
17 be assessed, may file with the district board their petition reciting
18 the nature and general plan of the desired improvement and specifying
19 the lands proposed to be specially assessed therefor. A local
20 improvement district may include adjoining, vicinal, or neighboring
21 improvements even though the improvements and the properties
22 benefited are not connected or continuous. Such improvements may be
23 owned by the United States, the state of Washington, the irrigation
24 district, or another local government. Upon approval of the board of
25 an adjoining irrigation district, an irrigation district may form
26 local improvement districts or utility local improvement districts
27 that are composed entirely or in part of territory within that
28 adjoining district. Upon the filing of the petition the board, with
29 the assistance of a competent engineer, shall make an investigation
30 of the feasibility, cost, and need of the proposed local improvement
31 together with the ability of the lands to pay the cost, and if it
32 appears feasible, they may elect to have plans and an estimate of the
33 cost prepared. If a protest against the establishment of the proposed
34 improvement signed by a majority of the (~~holders of title~~)
35 qualified voters in the proposed local district is presented at or
36 before the hearing, or if the proposed improvement should be found
37 not feasible, too expensive, or not in the best interest of the
38 district, or the lands to be benefited insufficient security for the
39 costs, they shall dismiss the petition.

1 **Sec. 412.** RCW 87.03.485 and 2013 c 177 s 4 are each amended to
2 read as follows:

3 In the event that the board approves the petition, the board

9 (~~owner or reputed owner of real property~~) qualified voter within
10 the proposed local improvement district, as shown on the rolls of the
11 county treasurer as of a date not more than twenty days immediately
12 prior to the date such notice was mailed. Such notice must be
13 published in a newspaper of general circulation in each county in
14 which any portion of the land proposed to be included in such local
15 improvement district lies. Such notice shall state that the lands
16 within the described boundaries are proposed to be organized as a
17 local improvement district, stating generally the nature of the
18 proposed improvement; that bonds for such local improvement district
19 are proposed to be issued as the bonds of the irrigation district, or
20 that a contract is proposed to be entered into between the district
21 and the United States or the state of Washington, or both, that the
22 lands within the local improvement district are to be assessed for
23 such improvement, that such bonds or contract will be the obligation
24 of such local improvement district and stating a time and place of
25 hearing thereon. At the time and place of hearing named in the
26 notice, all persons interested may appear before the board and show
27 cause for or against the formation of the proposed improvement
28 district and the issuance of bonds or the entering into of a contract
29 as aforesaid. The board may designate a hearing officer to conduct
30 the hearing, and the hearing officer shall report recommendations on
31 the establishment of the local improvement district to the board for
32 final action. Upon the hearing the board shall determine as to the
33 establishment of the proposed local improvement district. Any
34 (~~landowner whose lands~~) resident who can be served or will be
35 benefited by the proposed improvement, may make application to the
36 board at the time of hearing to include such land and the board of
37 directors in such cases shall, at its discretion, include such lands
38 within such district. The board of directors may exclude any land
39 specified in the notice from the district provided, that in the
40 judgment of the board, the inclusion thereof will not be practicable.

1 As an alternative plan and subject to all of the provisions of
2 this chapter, the board of directors may initiate the organization of
3 a local improvement district as herein provided. To so organize a
4 local improvement district the board shall adopt and record in its
5 minutes a resolution specifying the lands proposed to be included in
6 such local improvement district or by describing the exterior
7 boundaries of such proposed district or by both. The resolution shall
8 state generally the plan, character and extent of the proposed
9 improvements, that the land proposed to be included in such
10 improvement district will be assessed for such improvements; and that
11 local improvement district bonds of the irrigation district will be
12 issued or a contract entered into as hereinabove in this section
13 provided to meet the cost thereof and that such bonds or contract
14 will be the obligation of such local improvement district. The
15 resolution shall fix a time and place of hearing thereon and shall
16 state that unless a majority of the (~~holders of title or of evidence~~
17 ~~of title to lands~~) qualified voters who reside within the proposed
18 local improvement district file their written protest at or before
19 the hearing, consent to the improvement will be implied.

20 A notice containing a copy of the resolution must be published
21 once a week for two consecutive weeks preceding the date of such
22 hearing and the last publication shall not be more than seven days
23 before such date, and shall be mailed on or before the second
24 publication date by first-class mail, postage prepaid, to each
25 (~~owner or reputed owner of real property~~) qualified voter within
26 the proposed local improvement district, as shown on the rolls of the
27 county treasurer as of a date not more than twenty days immediately
28 prior to the date such notice was mailed, and the hearing thereon
29 shall not be held in less than twenty days from the adoption of such
30 resolution. Such notice must be published in one newspaper, of
31 general circulation, in each county in which any portion of the land
32 proposed to be included in such local improvement district lies. The
33 hearing shall be held and all subsequent proceedings conducted in
34 accordance with the provisions of this (~~act~~) chapter relating to
35 the organization of local improvement districts initiated upon
36 petition.

37 **Sec. 413.** RCW 87.03.535 and 1919 c 180 s 19 are each amended to

6 the lands or the greater portion thereof are situated, which petition
7 shall set forth and particularly describe the proposed boundaries of
8 such district, and the name of each existing irrigation district

2 votes cast in each existing district shall be Irrigation District—
3 Yes, and unless two-thirds of all the votes cast in that part of the
4 proposed district not included in any existing district shall be
5 Irrigation District—Yes. If the organization of such consolidated
6 district is not effected the organization of the district proposed to
7 be included in such consolidated district shall not be affected.

13 This section and RCW 87.03.847 through 87.03.855 provide the
14 procedures by which a minor irrigation district may be merged into a

16 To institute proceedings for such a merger, the board of
17 directors of the minor district shall adopt a resolution requesting
18 the board of directors of the major district to consider the merger,
19 or proceedings for such a merger may be instituted by a petition
20 requesting the board of directors of the major district to consider
21 the merger, signed by ten ~~((owners of land))~~ qualified voters within
22 the minor district or five percent of the total number of
23 ~~((landowners))~~ qualified voters within the minor district, whichever
24 is greater. However, if there are fewer than twenty ~~((owners of~~
25 ~~land))~~ qualified voters within the minor irrigation district, the
26 petition shall be signed by a majority of the ~~((landowners))~~
27 qualified voters and filed with the board of directors of the major
28 irrigation district.

29 ~~((For the purpose of determining the number of landowners~~

36 ~~by the board of directors of the major irrigation district may be [if~~
37 ~~the petition is] signed by either the husband or wife and by any one~~

1 The board of directors of the major irrigation district shall
2 consider the request at the next regularly scheduled meeting of the
3 board of directors of the major district following its receipt of the
4 minor district's request or at a special meeting called for the
5 purpose of considering the request. If the board of the major
6 district denies the request of the minor district, no further action
7 on the request shall be taken.

8 If the board of the major district does not deny the request, it
9 shall conduct a public hearing on the request and shall give notice
10 regarding the hearing. The notice shall describe the proposed merger
11 and shall be published once a week for two consecutive weeks
12 preceding the date of the hearing and the last publication shall be
13 not more than seven days before the date of the hearing. (~~The notice~~

19 ~~conducted in the major district on the request.)) If the board of the
20 major district is considering requests from more than one minor
21 district, the hearing shall be conducted on all such requests.~~

22 **Sec. 423.** RCW 87.03.847 and 1993 c 235 s 3 are each amended to
23 read as follows:

24 (1) If, following the public hearing conducted under RCW
25 87.03.845, the board of directors of the major irrigation district
26 denies the request for a merger, no further action shall be taken on
27 the request. If, following the public hearing, the board adopts a
28 resolution approving the merger, the merger is approved by the major
29 irrigation district and no election shall be held in the major
30 district to approve the merger. However, if (~~the holders of title or~~
31 ~~evidence of title to~~) at least twenty percent of the (~~assessed~~
32 ~~lands~~) qualified voters within the major district file a protest
33 opposing the merger with the board of the major district at or before
34 the public hearing, the board shall (~~call~~) request a special
35 election (~~and~~), consistent with RCW 29A.04.330, to submit to the
36 voters of the major district the question of whether the merger
37 should or should not be approved. Votes shall be cast as "Merger -
38 Yes" or "Merger - No." If such a special election must be conducted
39 and a majority of all votes cast in the district approve the merger,

1 the merger is approved by the major district. Such an approval is
2 effective on the date the returns of the election are canvassed
3 (~~under RCW 87.03.105~~).

4 (2) The board of directors of the minor irrigation district
5 shall, within thirty days of the date the merger is approved by the
6 major district or of the date the (~~board of the major district~~)
7 county auditor issues (~~its~~) a call for a special election on the
8 merger, (~~call~~) request a special election within the minor district
9 (~~and~~) consistent with RCW 29A.04.330, to submit to the voters of
10 the minor district the question of whether the merger should or
11 should not be approved. If special elections must be conducted in
12 both districts, both elections shall be conducted on the same date
13 (~~set by the board of the major district~~). If only the minor
14 district must conduct such a special election, the election shall be
15 held (~~not later than sixty days~~) on the first date for special
16 elections under RCW 29A.04.330 after the date the merger has been
17 approved by the board of the major district. Votes on the question
18 shall be cast as "Merger - Yes" or "Merger - No." If a majority of
19 all votes cast in the district are cast for "Merger - Yes," the
20 merger is approved by the minor irrigation district. Such an approval
21 is effective on the date the returns of the election are canvassed
22 (~~under RCW 87.03.105~~).

23 (3) Notice of election in each district on the merger question
24 shall conform to the requirements of notices for elections in the
25 major district. Elections and voting in each district shall be
26 consistent with RCW (~~87.03.045, 87.03.051, and 87.03.071~~)
27 87.03.030. If the majority of all votes cast in a special election in
28 either the major or a minor district are cast for "Merger - No," the
29 merger is not approved.

30 (4) If the merger is approved by the major irrigation district
31 and by the minor irrigation district as provided by this section, the
32 minor irrigation district is merged into the major irrigation
33 district. If two or more minor districts are merging with a major
34 district in one process as authorized by RCW 87.03.855 and if the
35 merger is approved by the major irrigation district and by at least
36 one of the minor irrigation districts as provided by this section,
37 each minor irrigation district so approving is merged into the major
38 irrigation district. The effective date of the merger is the date by
39 which approval of the merger has been secured in both districts or,
40 under RCW 87.03.855, in the major and minor district or districts.

1 The board or boards of county commissioners of the county or counties
2 containing territory of the merged districts and the director of the
3 department of ecology shall be notified that the districts have
4 merged.

25 more than sixty days in all, the board of county commissioners shall
26 consider the petition and shall hear electors of the district for or

28 recommendations for the manner in which division should be made. If
29 the board deems it against the best interests of the district to
30 divide the district into director divisions or to redivide existing
31 divisions, it shall order the petition rejected, but if it deems it
32 for the best interests of the district that the petition be granted,
33 and if no elector of the district files cause in writing at said
34 hearing why the petition should not be granted, or if having filed
35 said cause in writing withdraws the same, the board shall enter an
36 order dividing or redividing the district into the same number of
37 director divisions as there are directors of the district, and
38 designating the divisions and describing the boundaries thereof. The

3 commissioners' order shall be filed for record, without charge, with
4 the auditor of each county in which any part of the district is
5 situated, and thereafter the directors shall be elected or appointed
6 as provided in this chapter. If any elector shall appear in person at
7 said hearing and shall file cause in writing as aforesaid why the
8 petition should not be granted and shall not withdraw the same, and
9 if the board nevertheless deems it for the best interests of the
10 district that the petition be granted, the board shall adopt a
11 resolution to that effect and shall (~~order an~~) request a special
12 election, consistent with RCW 29A.04.330, to be held within the

18 state the general plan of division or redivision but need not
19 describe with particularity the boundaries of the proposed division
20 or redivision. Such boundaries shall be described on the ballot. If
21 the majority of votes cast at the election are in favor of dividing
22 or redividing the district into director divisions, the board of
23 county commissioners shall enter an order dividing or redividing the
24 district into the same number of director divisions as there are
25 directors of the district, and designating the divisions and
26 designating the boundaries thereof. If a majority of the votes cast
27 are against division or redivision into director districts, the board
