
HOUSE BILL 2898

State of Washington

65th Legislature

2018 Regular Session

By Representatives Kagi, Senn, Pettigrew, and Sullivan

1 AN ACT Relating to providing school districts with authority to
2 impose an additional enrichment levy amount to fund high quality
3 early learning programs; amending RCW 84.52.0531 and 28A.500.015;
4 adding a new section to chapter 84.52 RCW; creating new sections; and
5 providing effective dates.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** (1) The legislature acknowledges that high
8 quality early learning is an effective way to prepare children for
9 kindergarten and for success in school. The legislature finds that
10 high quality early learning is one of the most effective tools at
11 closing the opportunity gap in the K-12 school system. The
12 legislature further finds that Second Substitute Senate Bill No.
13 5107, which became chapter 178, Laws of 2017, requires the department
14 of early learning and will require the department of children, youth,
15 and families to the greatest extent possible to reduce barriers and
16 increase efficiency for using local and private funds to provide more
17 high quality early learning opportunities.

18 (2) The legislature recognizes that school districts are in a
19 unique position to provide or contract high quality early learning
20 programs that will prepare children to enter kindergarten ready to
21 learn. The legislature intends to provide school districts with the

1 authority to impose an additional enrichment levy amount to fund high
2 quality early learning programs.

3 NEW SECTION. **Sec. 2.** A new section is added to chapter 84.52
4 RCW to read as follows:

5 (1) Any tax levy imposed under RCW 84.52.0531(2) must be used
6 exclusively for high quality early learning programs including:

7 (a) The early childhood education and assistance program
8 described in chapter 43.216 RCW;

9 (b) Early learning programs that score at least 3.5 in the early
10 achievers program described in chapter 43.216 RCW;

11 (c) Other high quality early learning programs approved for this
12 purpose by the department of children, youth, and families; and

13 (d) Capital expenses if school districts have demonstrated a need
14 for additional classroom space and such facilities would be used
15 primarily for high quality early learning programs.

16 (2) Funds dedicated under this section to the early childhood
17 education and assistance program must be used for expanding access
18 and eligibility in this program. Children enrolled in the early
19 childhood education and assistance program using funds dedicated
20 under this section are not considered to be eligible children as
21 defined in RCW 43.216.505 and are not considered to be part of the
22 state-funded entitlement required in RCW 43.216.556.

23 (3) Funds raised by the levy under RCW 84.52.0531(2) may be
24 deposited into the early start account created in RCW 43.216.165 and
25 used for purposes described in RCW 43.216.080.

26 **Sec. 3.** RCW 84.52.0531 and 2017 3rd sp.s. c 13 s 203 are each
27 amended to read as follows:

28 (1) Beginning with taxes levied for collection in 2019, the
29 maximum dollar amount which may be levied by or for any school
30 district for enrichment levies under RCW 84.52.053, except as
31 provided under subsection (2) of this section, is equal to the lesser
32 of one dollar and fifty cents per thousand dollars of the assessed
33 value of property in the school district or the maximum per-pupil
34 limit.

35 (2) Beginning with taxes levied for collection in 2019, a school
36 district may levy an additional enrichment levy dollar amount not to
37 exceed an amount equal to twenty-five cents per thousand dollars of
38 the assessed value of property in the school district. The additional

1 dollar amount authorized under this subsection must be used
2 exclusively for the purposes provided in section 2 of this act.

3 (3) The definitions in this subsection apply to this section
4 unless the context clearly requires otherwise.

6 (b) "Maximum per-pupil limit" means two thousand five hundred
7 dollars, multiplied by the number of average annual resident full-

11 (c) "Prior school year" means the most recent school year
12 completed prior to the year in which the levies are to be collected.

13 ~~((3))~~ (4) Beginning with propositions for enrichment levies for

15 receive approval of an enrichment levy expenditure plan under RCW
16 28A.505.240 before submission of the proposition to the voters.

17 ~~((4))~~ (5) The superintendent of public instruction shall
18 develop rules and regulations and inform school districts of the
19 pertinent data necessary to carry out the provisions of this section.

20 ~~((5))~~ (6) Beginning with taxes levied for collection in 2020,
21 enrichment levy revenues must be deposited in a separate subfund of
22 the school district's general fund pursuant to RCW 28A.320.330, and
23 are subject to the restrictions of RCW 28A.150.276 and the audit
24 requirements of RCW 43.09.2856.

25 ~~((6))~~ (7) Funds collected from transportation vehicle
26 enrichment levies shall not be subject to the levy limitations in
27 this section.

28 **Sec. 4.** RCW 28A.500.015 and 2017 3rd sp.s. c 13 s 206 are each
29 amended to read as follows:

30 (1) Beginning in calendar year 2019 and each calendar year
31 thereafter, the state must provide state local effort assistance
32 funding to supplement school district enrichment levies as provided
33 in this section.

34 (2) For an eligible school district, annual local effort
35 assistance funding is equal to the school district's maximum local
36 effort assistance multiplied by a fraction equal to the school
37 district's actual enrichment levy divided by the school district's
38 maximum allowable enrichment levy.

1 (3) The state local effort assistance funding provided under this
2 section is not part of the state's program of basic education deemed
3 by the legislature to comply with the requirements of Article IX,
4 section 1 of the state Constitution.

5 (4) The definitions in this subsection apply throughout this
6 section unless the context clearly requires otherwise.

7 (a) "Eligible school district" means a school district whose
8 maximum allowable enrichment levy divided by the school district's
9 total student enrollment in the prior school year is less than the
10 state local effort assistance threshold.

11 (b) "Inflation" means inflation as defined in RCW 84.55.005.

12 (c) "Maximum allowable enrichment levy" means the maximum levy
13 permitted by RCW 84.52.0531(1).

14 (d) "Maximum local effort assistance" means the school district's
15 student enrollment in the prior school year multiplied by the
16 difference of the state local effort assistance threshold and a
17 school district's maximum allowable enrichment levy divided by the
18 school district's student enrollment in the prior school year.

19 (e) "Prior school year" means the most recent school year
20 completed prior to the year in which the state local effort
21 assistance funding is to be distributed.

23 five hundred dollars per student, adjusted for inflation beginning in
24 calendar year 2020.
