5 We, your Memorialists, the Senate and House of Representatives of
6 the State of Washington, in legislative session assembled, respectfully
7 represent and petition as follows:

8 WHEREAS, The conflicts in Iraq and Afghanistan require thousands of
9 civilian contractors to support our military; and

10 WHEREAS, The Defense Base Act of 1941 requires government
11 contractors to purchase workers' compensation insurance policies for
12 their employees to cover injuries, including combat injuries and death,
13 when working outside the United States; and

14 WHEREAS, The War Hazards Compensation Act of 1942 allows
15 reimbursement to carriers for the cost of combat injuries and deaths,
16 plus a fifteen percent administrative fee; and

17 WHEREAS, The government pays private insurance carriers more than
18 four hundred million dollars annually for this insurance; and

19 WHEREAS, Private insurance carriers are making profits of up to 35

3 continue to cost hundreds of millions of dollars every year into the
4 foreseeable future;

5 NOW, THEREFORE, Your Memorialists respectfully pray that the

10 States, the President of the United States Senate, the Speaker of the
11 House of Representatives, and each member of Congress from the State of
