3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 (~~twenty-five~~) thirty-five thousand on (~~June 12, 2008,~~) the
8 effective date of this section and that currently operates a publicly
9 owned marina may enter into a reduced fee lease authorizing the city
10 to use state-owned aquatic lands for the purpose of operating a
11 publicly owned marina. The office of financial management's
12 population estimate must be used to determine a city's population for
13 purposes of this section. (~~The lease period may not exceed twenty~~
14 ~~years.~~)

15 (b) No rent is due the state for the use of state-owned aquatic
16 lands (~~for the first ten years under such a lease~~) for the period
17 between the effective date of this section and July 1, 2029. During
18 subsequent years under such a lease, rent is due for only those lands
19 that have been included under a previous aquatic land lease for the
20 marina. The lease may not be renewed, extended, or put into holdover.

1 (c) Rent is due the state for any lease period after July 1,
2 2029.

3 (2) A city choosing to enter into a lease as provided in
4 subsection (1) of this section must do so within ~~((one))~~ three years
5 of ~~((June 12, 2008))~~ the effective date of this section. Prior to

7 the department and must have paid all amounts owed the department
8 including any accrued interest.

9 (3) State-owned aquatic lands that may be included in the lease
10 are limited only to those lands included in the most recent expired
11 lease with the city for the marina, along with any state-owned
12 aquatic lands immediately adjacent to those lands. Only those marina
13 operations conducted directly by the city may be included within the
14 leased area.

15 (4) If a city chooses to enter into an agreement as provided in
16 subsection (1) of this section, the city is not eligible to apply for
17 grants from the aquatic lands enhancement account created under RCW
18 79.105.150 for ~~((the first ten years of the lease))~~ any period of the
19 lease subject to subsection (1) of this section.

20 (5) Upon expiration of the ~~((twenty-year))~~ lease, the city may
21 enter into a new lease for the use of state-owned aquatic lands or
22 vacate the lands as agreed to in the expiring lease. To ensure the
23 consistent statewide application of aquatic land management
24 principles, the new lease must be completed in accordance with all
25 applicable sections of this title.

26 (6) For any existing lease between the department and a city that
27 meets the criteria of subsection (1) of this section, upon request of
28 the city, the department is directed to amend the lease in order to
29 comply with this section.

30 (7) This section expires July 1, 2029.
