
SENATE BILL 5896

State of Washington**67th Legislature****2022 Regular Session****By** Senators Sefzik and Lovelett

1 AN ACT Relating to requiring the department of enterprise
2 services to report on the use of electricity to recharge vehicles at
3 state office locations; and amending RCW 43.01.250.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 43.01.250 and 2015 c 225 s 59 are each amended to
6 read as follows:

7 (1) It is in the state's interest and to the benefit of the
8 people of the state to encourage the use of electrical vehicles in
9 order to reduce emissions and provide the public with cleaner air.
10 This section expressly authorizes the purchase of power at state
11 expense to recharge privately and publicly owned plug-in electrical
12 vehicles at state office locations where the vehicles are used for
13 state business, are commute vehicles, or where the vehicles are at
14 the state location for the purpose of conducting business with the
15 state.

16 (2) The director of the department of enterprise services ~~((may))~~
17 shall report to the governor and the appropriate committees of the
18 legislature~~((, as deemed necessary by the director,))~~ on the
19 estimated amount of state-purchased electricity consumed by plug-in
20 electrical vehicles ~~((if the director of enterprise services
21 determines that the use has a significant cost to the state))~~, and on

1 the number of plug-in electric vehicles, using state office
2 locations. ((The report may be combined with the report under section
3 401, chapter 348, Laws of 2007)) Beginning in 2022, the report must
4 be submitted by December 31st each year.
