9 chapter to Title 43 RCW; creating a new section; providing effective
10 dates; providing expiration dates; and declaring an emergency.

11 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

12 NEW SECTION. **Sec. 1.** FINDINGS--INTENT. (1) The legislature finds
13 that there are significant public infrastructure needs of the state
14 that are unmet, and that the level of unmet need has been exacerbated
15 by the economic downturn. The legislature further finds that there are
16 opportunities to use the state's depository assets to generate
17 additional benefit for the people and the economy of the state.
18 Therefore, the legislature intends the state of Washington to engage in

1 the business of banking under the name of the Washington publicly owned
2 trust, as a legacy institution that amasses sufficient capital reserves
3 to address opportunities now and in the future.

4 (2) The legislature intends that the trust may:

5 (a) Facilitate investment in, and financing of, public
6 infrastructure systems that will increase public health, safety, and
7 quality of life, improve environmental conditions, and promote
8 community vitality and economic growth; and

9 (b) Leverage receipts from marijuana sales and from public
10 resources, and work in partnership with financial institutions,
11 community-based organizations, economic development organizations,
12 guaranty agencies, and other stakeholder groups.

13 (3) The mission of the trust is to act as the sole depository for
14 in-state marijuana producers, processors, and retailers and to use
15 taxable earnings from those deposits for the benefit of the people and
16 economy of the state. The legislature intends for the trust to apply
17 business strategies to manage the deposits while concurrently meeting
18 identified needs and strategic opportunities across the state. In
19 achieving its purpose of improving public infrastructure or otherwise
20 providing for the public benefit, the legislature intends for the trust
21 to adhere to the following priorities:

22 (a) Institutional safety and soundness;

23 (b) Long-term viability;

24 (c) Social return and monetary return on investments;

25 (d) Prudent and best banking and business practices;
