20 read as follows:

21 (1) The family and medical leave insurance account is created in
22 the custody of the state treasurer. All receipts from premiums
23 imposed under this title must be deposited in the account. Revenue to
24 the account also may include appropriations and transfers by the
25 legislature and all other funding directed for deposit into the
26 account. Expenditures from the account may be used only for the
27 purposes of the family and medical leave program, including the
28 office of the state actuary expenses to assist the department. Only
29 the commissioner or the commissioner's designee may authorize
30 expenditures from the account. The account is subject to the
31 allotment procedures under chapter 43.88 RCW. An appropriation is
32 required for administrative expenses, but not for benefit payments.

33 (2) Money deposited in the account shall remain a part of the
34 account until expended pursuant to the requirements of this title or
35 transferred in accordance with subsection (3) of this section. The
36 commissioner shall maintain a separate record of the deposit,
37 obligation, expenditure, and return of funds so deposited. Any money
38 so deposited which either will not be obligated within the period
39 specified by the appropriations act or remains unobligated at the end

1 of the period, and any money which has been obligated within the
2 period but will not be expended, shall be returned promptly to the
3 family and medical leave insurance account.

4 (3) Money shall be transferred from the family and medical leave
5 insurance account and deposited in the unemployment trust fund solely

7 RCW 50.29.021(3)(a)(vii). The commissioner shall direct the transfer,
8 which must occur on or before the cut-off date as defined in RCW
9 50.29.010.

10 (4) Money transferred as provided in subsection (3) of this
11 section for the repayment of benefits not charged to employers shall
12 be deposited in the unemployment compensation fund and shall remain a
13 part of the unemployment compensation fund until expended pursuant to
14 RCW 50.16.030. The commissioner shall maintain a separate record of
15 the deposit, obligation, expenditure, and return of funds so
16 deposited. Any money so deposited which either will not be obligated
17 within the period specified by the appropriation law or remains
18 unobligated at the end of the period, and any money which has been
19 obligated within the period but will not be expended, shall be
20 returned promptly to the account of this state in the unemployment
21 trust fund.

22 (5) By January 31st of each fiscal year, the commissioner must
23 deposit into the state basic health plan trust account created in RCW
24 70.47.030 any moneys appropriated from the dedicated marijuana
25 account to the family and medical leave insurance account that
26 exceeds the amount required to eliminate the solvency surcharge in
27 RCW 50A.10.030(7).

28 **Sec. 4.** RCW 50A.10.030 and 2019 c 13 s 21 are each amended to
29 read as follows:

30 (1)(a) Beginning January 1, 2019, the department shall assess for
31 each individual in employment with an employer and for each
32 individual electing coverage a premium based on the amount of the
33 individual's wages subject to subsection (4) of this section.

34 (b) The premium rate for family leave benefits shall be equal to
35 one-third of the total premium rate.

36 (c) The premium rate for medical leave benefits shall be equal to
37 two-thirds of the total premium rate.

38 (2) For calendar year 2022 and thereafter, the commissioner shall
39 determine the percentage of paid claims related to family leave

1 benefits and the percentage of paid claims related to medical leave
2 benefits and adjust the premium rates set in subsection (1)(b) and
3 (c) of this section by the proportional share of paid claims.

4 (3)(a) Beginning January 1, 2019, and ending December 31, 2020,
5 the total premium rate shall be four-tenths of one percent of the
6 individual's wages subject to subsection (4) of this section.

7 (b) For family leave premiums, an employer may deduct from the
8 wages of each employee up to the full amount of the premium required.

9 (c) For medical leave premiums, an employer may deduct from the
10 wages of each employee up to forty-five percent of the full amount of
11 the premium required.

12 (d) An employer may elect to pay all or any portion of the
13 employee's share of the premium for family leave or medical leave
14 benefits, or both.

15 (4) The commissioner must annually set a maximum limit on the
16 amount of wages that is subject to a premium assessment under this
17 section that is equal to the maximum wages subject to taxation for
18 social security as determined by the social security administration.

19 (5)(a) Employers with fewer than fifty employees employed in the
20 state are not required to pay the employer portion of premiums for
21 family and medical leave.

22 (b) If an employer with fewer than fifty employees elects to pay
23 the premiums, the employer is then eligible for assistance under RCW
24 50A.24.010.

25 (6) For calendar year 2021 and thereafter, the total premium rate
26 shall be based on the family and medical leave insurance account
27 balance ratio as of September 30th of the previous year. The
28 commissioner shall calculate the account balance ratio by dividing
29 the balance of the family and medical leave insurance account by
30 total covered wages paid by employers and those electing coverage.
31 The division shall be carried to the fourth decimal place with the
32 remaining fraction disregarded unless it amounts to five hundred-
33 thousandths or more, in which case the fourth decimal place shall be
34 rounded to the next higher digit. If the account balance ratio is:

35 (a) Zero to nine hundredths of one percent, the premium is six
36 tenths of one percent of the individual's wages;

37 (b) One tenth of one percent to nineteen hundredths of one
38 percent, the premium is five tenths of one percent of the
39 individual's wages;

2 percent, the premium is four tenths of one percent of the
3 individual's wages;

4 (d) Three tenths of one percent to thirty-nine hundredths of one
5 percent, the premium is three tenths of one percent of the
6 individual's wages;

7 (e) Four tenths of one percent to forty-nine hundredths of one
8 percent, the premium is two tenths of one percent of the individual's
9 wages; or

10 (f) Five tenths of one percent or greater, the premium is one
11 tenth of one percent of the individual's wages.

12 (7)(a) Beginning January 1, 2021, if the account balance ratio
13 calculated in subsection (6) of this section is below five hundredths
14 of one percent, the commissioner must assess a solvency surcharge at
15 the lowest rate necessary to provide revenue to pay for the
16 administrative and benefit costs of family and medical leave, for the
17 calendar year, as determined by the commissioner. The solvency
18 surcharge shall be at least one-tenth of one percent and no more than
19 six-tenths of one percent and be added to the total premium rate for
20 family and medical leave benefits.

21 (b) If the commissioner determines that the solvency surcharge
22 must be assessed pursuant to (a) of this subsection, the commissioner
23 must use moneys appropriated from the dedicated marijuana account to
24 the family and medical leave insurance account to eliminate the
25 solvency surcharge, or if the appropriation is insufficient, to
26 further reduce the solvency surcharge to the lowest rate possible
27 with the amount appropriated.

28 (8)(a) The employer must collect from the employees the premiums
29 and any surcharges provided under this section through payroll
30 deductions and remit the amounts collected to the department.

31 (b) In collecting employee premiums through payroll deductions,
32 the employer shall act as the agent of the employees and shall remit
33 the amounts to the department as required by this title.

34 (c) On September 30th of each year, the department shall average
35 the number of employees reported by an employer over the last four
36 completed calendar quarters to determine the size of the employer for
37 the next calendar year for the purposes of this section and RCW

39 (9) Premiums shall be collected in the manner and at such
40 intervals as provided in this title and directed by the department.

1 (10) Premiums collected under this section are placed in trust
2 for the employees and employers that the program is intended to
3 assist.

4 (11) A city, code city, town, county, or political subdivision
5 may not enact a charter, ordinance, regulation, rule, or resolution:

10 title; or
