18 qualify as affordable housing.

4 proposed project at the first scheduled school board meeting
5 following submission of the grant application to the department;

6 (o) The degree of funding that has already been committed to the
7 project by nonstate entities;

8 (p) Projects that demonstrate a strong readiness to proceed to
9 construction; and

10 (q) Projects that include a licensed early learning facility.

11 (7) Once the department has determined the prioritization of

2 property capital needs assessment, in a form acceptable to the
3 department, prior to contract execution.
