
SENATE BILL 6272

State of Washington

65th Legislature

2018 Regular Session

By Senators O'Ban and Conway

Read first time 01/11/18. Referred to Committee on Economic Development & International Trade.

1 AN ACT Relating to creating a military benefit zone program;
2 adding a new chapter to Title 39 RCW; and adding a new chapter to
3 Title 82 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** INTENT. (1) Washington state has the sixth
6 highest regional concentration of military presence in the United
7 States. Military installations, and in particular, Joint Base Lewis-
8 McChord have significant importance to the local and state economy.

9 (2) Joint Base Lewis-McChord is the defense department's premiere
10 military installation on the west coast. Joint Base Lewis-McChord
11 provides world-class installation support to more than forty thousand
12 active, guard, and reserve service members and about fifteen thousand
13 civilian workers. The base supports sixty thousand family members who
14 live on and outside the base, and nearly thirty thousand military
15 retirees living within fifty miles. Active duty personnel have
16 spouses and children, and together they stimulate about fifty million
17 dollars in incremental economic activity.

18 (3) It is the intent of this state to provide the necessary means
19 to assist communities with significant military installations in
20 supporting and sustaining those installations. It is further the
21 intent to encourage communities to initiate a coordinated program of

1 response and plan of action in advance of future actions of the
2 federal government relating to base realignments and closures. It is
3 critical that communities develop and implement strategies to
4 preserve and protect military installations, which often includes
5 planning for and constructing additional infrastructure.

6 (4) Declining resources for new infrastructure has increased
7 pressure on cities and counties, and as urban areas have grown near
8 Washington's military installations, there has often developed a
9 pattern that has not supported the needs of the military for housing,
10 services, and quality of life. Therefore, to support and sustain
11 military installations, local governments located within the vicinity
12 of these facilities need additional funding options to improve
13 infrastructure. To that end, the legislature intends to establish a
14 military benefit zone program.

13 from outside the zone, but within this state, into the zone unless
14 convincing evidence is provided that the firm being relocated would
15 otherwise leave the state;

16 (b) Will improve the viability of existing business entities
17 within the zone; and

18 (c) Will be used exclusively in areas within the jurisdiction of
19 the local government deemed in need of either economic development or
20 redevelopment, or both, and absent the financing available under this
21 chapter and sections 14 and 15 of this act the proposed economic
22 development or redevelopment would more than likely not occur; and

23 (7) The governing body of the local government finds that the
24 public improvements proposed to be financed in whole or in part using
25 military benefit financing are reasonably likely to:

26 (a) Increase private investment within the zone;

27 (b) Increase employment within the zone;

28 (c) Generate, over the period of time that the local sales and
29 use tax will be imposed under section 14 of this act, increases in

16 improvements in whole or in part with military benefit financing.
17 Notice of the public hearing must be published in a legal newspaper

19 least ten days before the public hearing and posted in at least six
20 conspicuous public places located in the proposed zone. Notices must
21 describe the contemplated public improvements, estimate the costs of
22 the public improvements, describe the portion of the costs of the
23 public improvements to be borne by military benefit financing,
24 describe any other sources of revenue to finance the public
25 improvements, describe the boundaries of the proposed zone, and
26 estimate the period during which benefit financing is contemplated to
27 be used. The public hearing may be held by either the governing body
28 of the sponsoring military community, or a committee of the governing
29 body that includes at least a majority of the whole governing body.

30 (2) To create a zone, a sponsoring military community must adopt
31 an ordinance establishing the zone that:

32 (a) Describes the public improvements to be made in the zone;

33 (b) Describes the boundaries of the zone, subject to the
34 limitations in section 5 of this act;

35 (c) Estimates the cost of the proposed public improvements and
36 the portion of these costs to be financed by military benefit
37 financing;

38 (d) Provides the anticipated rate of sales and use tax under
39 section 14 of this act that the local government will impose if
40 awarded a state contribution under section 8 of this act;

1 (e) Provides the anticipated date when the criteria for the sales
2 and use tax in section 14 of this act will be met and the anticipated
3 date when the sales and use tax in section 14 of this act will be
4 imposed; and

5 (f) Estimates the average amount of tax revenue to be received in
6 all fiscal years through the imposition of a sales and use tax in
7 section 7 of this act.

8 (3) Upon creation of a zone, the sponsoring military community
9 must deliver a certified copy of the adopted ordinance to the
10 department and the governing body of each participating local
11 government.

12 NEW SECTION. **Sec. 5.** LIMITATIONS ON MILITARY BENEFIT ZONES. The
13 designation of a military benefit zone is subject to the following
14 limitations:

15 (1) No military benefit zone may have within its geographic
16 boundaries any part of a hospital benefit zone under chapter 39.100
17 RCW, any part of a revenue development area created under chapter
18 39.102 RCW, any part of an increment area under chapter 39.89 RCW, or
19 any part of a benefit zone under chapter 39.104 RCW;

20 (2) No military benefit zone may overlap boundaries with another
21 military benefit zone;

22 (3) A military benefit zone must be wholly within two miles of
23 the boundary of Joint Base Lewis-McChord;

24 (4) A military benefit zone may not include areas within Joint
25 Base Lewis-McChord;

26 (5) A military benefit zone is limited to contiguous tracts,
27 lots, pieces, or parcels of land without the creation of islands of
28 property not included in the military benefit zone;

29 (6) The boundaries may not be drawn to purposely exclude parcels
30 of land where economic growth is unlikely to occur;

31 (7) The public improvements financed through bonds issued under
32 section 9 of this act must be located in the military benefit zone;

33 (8) A military benefit zone cannot contain more than twenty-five
34 percent of the total assessed value of the taxable real property
35 within the boundaries of the sponsoring military community at the
36 time the military benefit zone is created;

37 (9) The boundaries of the military benefit zone may not be
38 changed for the time period that local sales and use taxes of
39 participating local governments, and the local sales and use tax

1 under section 14 of this act are used to pay bonds issued under
2 section 9 of this act and public improvement costs within the
3 military benefit zone on a pay-as-you-go basis, as provided under
4 this chapter; and

5 (10) A military benefit zone must be geographically restricted to
6 the location of the public improvement and adjacent locations that
7 the sponsoring military community funds to benefit neighborhoods
8 nearest the state's military bases, and infrastructure consistent
9 with the highest public health, safety, and welfare standards in a
10 manner supportive to the Joint Base Lewis-McChord.

11 NEW SECTION. **Sec. 6.** INTERLOCAL AGREEMENTS. (1) A participating
12 local government must enter into an interlocal agreement as provided
13 in chapter 39.34 RCW to participate in military benefit financing
14 with the sponsoring military community.

15 (2)(a) If a local government that imposes a sales and use tax
16 under RCW 82.14.030 does not want to participate in the military
17 benefit financing of public improvements in a military benefit zone,
18 its governing body must adopt an ordinance and notify the sponsoring
19 military community that the taxing authority will not be a
20 participating local government.

21 (b) The local government must provide a copy of the adopted
22 ordinance and the notice to the sponsoring military community
23 creating the military benefit zone before the anticipated date that
24 the sponsoring military community proposes to adopt an ordinance
25 creating the military benefit zone as provided in the notice required
26 by section 4(1)(a) of this act.

27 NEW SECTION. **Sec. 7.** PUBLIC IMPROVEMENT FINANCING. A sponsoring
28 military community may use annually local sales and use tax amounts
29 equal to some or all of its local sales and use tax increments to
30 finance public improvements in the military benefit zone. The amounts
31 of local sales and use tax dedicated by a participating local
32 government must begin and cease on the dates specified in an
33 interlocal agreement authorized in chapter 39.34 RCW. Sponsoring
34 military communities and participating local governments are
35 authorized to allocate some or all of their local sales and use tax
36 increments to the sponsoring military community as provided by
37 section 6 of this act.

1 NEW SECTION. **Sec. 8.** APPLICATION PROCESS—APPROVAL OF PROJECT
2 AWARDS BY THE APPROVING AGENCY. (1) Prior to applying to receive a
3 state contribution, a sponsoring military community must adopt a
4 military benefit zone within the limitations in section 5 of this act
5 and in accordance with section 4 of this act.

6 (2)(a) As a condition to imposing a sales and use tax under
7 section 14 of this act, a sponsoring military community must apply
8 and be approved for a project award amount. The application must be
9 in a form and manner prescribed by the approving agency and include,
10 but not be limited to:

11 (i) Information establishing that over the period of time that
12 the local sales and use tax will be imposed under section 14 of this
13 act, increases in state sales and use tax revenues as a result of
14 public improvements in the military benefit zone will be equal to or
15 greater than the respective state and local contributions made under
16 this chapter;

17 (ii) Information demonstrating that the sponsoring military
18 community will meet the requirements necessary to receive the full
19 amount of state contribution it is requesting on an annual basis;

20 (iii) The amount of state contribution it is requesting;

21 (iv) The anticipated effective date for imposing the tax under
22 section 14 of this act;

23 (v) The estimated number of years that the tax will be imposed;

24 (vi) The anticipated rate of tax to be imposed under section 14
25 of this act, subject to the rate-setting conditions in section 14 (3)
26 of this act, should the sponsoring military community be approved for
27 a project award; and

28 (vii) The anticipated date when bonds under section 9 of this act
29 will be issued.

30 (b) The approving agency must make available electronic forms to
31 be used for this purpose. As part of the application, each applicant
32 must provide to the department a copy of the adopted ordinance
33 creating the military benefit zone as required in section 4 of this
34 act, copies of any adopted interlocal agreements from participating
35 local governments, and any notices from taxing districts that elect
36 not to participate.

37 (3)(a) Project awards must be determined based on:

38 (i) The availability of a state contribution;

1 (ii) Whether the sponsoring military community would be able to
2 generate enough tax revenue under section 14 of this act to generate
3 the amount of project award requested;

4 (iii) The number of jobs created;

5 (iv) The fit of the expected business creation or expansion
6 within the region's preferred economic growth strategy;

10 (vii) The benefit of the project to the quality of life for
11 military personnel and families.

12 (b) The total of all project awards may not exceed the annual
13 state contribution limit.

14 (c) If the level of available state contribution is less than the
15 amount requested by the next available applicant, the applicant must
16 be given the first opportunity to accept the lesser amount of state
17 contribution but only if the applicant produces a new application
18 within sixty days of being notified by the approving agency and the
19 application describes the impact on the proposed project as a result
20 of the lesser award in addition to new application information
21 required in subsection (2) of this section.

22 (d) Applicants that are not approved for a project award due to
23 lack of available state contribution must be retained on file by the
24 approving agency.

25 (e) Once total project awards reach the amount of annual state
26 contribution limit, no more applications will be accepted.

27 (f) If the annual contribution limit is increased by additional
28 funds available for applicants, applications will be accepted again
29 as described in subsection (5) of this section.

30 (4) The approving agency must notify the sponsoring military
31 community of approval or denial of a project award within sixty days
32 of the approving agency's receipt of the sponsoring military
33 community's application. Determination of a project award by the
34 approving agency is final. Notification must include the earliest
35 date when the tax authorized under section 14 of this act may be
36 imposed, subject to conditions in chapter 82.14 RCW. The project
37 award notification must specify the rate requested in the application
38 and any adjustments to the rate that would need to be made based on
39 the project award and rate restrictions in section 14 of this act.

1 The department of commerce must consult with the department in
2 determining the amount of a project award.

3 (5) The department of commerce must begin accepting applications
4 and approving project awards under this section on and after June 1,
5 2018. The department of commerce must notify the department of all
6 approved project awards under this section. The department of
7 commerce must also provide to the department any information
8 necessary to implement the tax authorized under section 14 of this
9 act.

10 NEW SECTION. **Sec. 9.** ISSUANCE OF GENERAL OBLIGATION BONDS. (1)
11 A sponsoring military community creating a military benefit zone and
12 authorizing the use of local military benefit financing may incur
13 general indebtedness, including issuing general obligation bonds, to
14 finance the public improvements and retire the indebtedness in whole
15 or in part from local military benefit financing it receives, subject
16 to the following requirements:

17 (a)(i) The ordinance adopted by the sponsoring military community
18 creating the military benefit zone and authorizing the use of local
19 military benefit financing indicates an intent to incur this
20 indebtedness and the maximum amount of this indebtedness that is
21 contemplated; and

22 (ii) The sponsoring military community includes this statement of
23 intent in all notices required by RCW 39.104.040; or

29 this section may be payable from other tax revenues, the full faith
30 and credit of the sponsoring military community, and nontax income,
31 revenues, fees, and rents from the public improvements, as well as
32 contributions, grants, and nontax money available to the local
33 government for payment of costs of the public improvements or
34 associated debt service on the general indebtedness.

35 (3) In addition to the requirements in subsection (1) of this
36 section, a sponsoring military community creating a military benefit
37 zone and authorizing the use of local military benefit financing may
38 require any nonpublic participants to provide adequate security to

1 protect the public investment in the public improvement within the
2 military benefit zone.

3 (4) As may be provided by a trust indenture or mortgage issued
4 pursuant thereto or by an ordinance, bonds issued under this section

22 (a) Annually pay into the special fund established pursuant to
23 this section a fixed proportion or a fixed amount of any revenues
24 derived from taxes imposed under section 14 of this act, such payment
25 to continue until all bonds payable from the fund are paid in full.
26 Revenues derived from taxes imposed under section 14 of this act are
27 subject to the use restriction in section 15 of this act; and

28 (b) Issue revenue bonds payable from any or all revenues
29 deposited in the special fund established pursuant to this section.

30 (6) In case any of the public officials of the sponsoring
31 military community whose signatures appear on any bonds or any
32 coupons issued under this chapter cease to be the officials before
33 the delivery of the bonds, the signatures must, nevertheless, be
34 valid and sufficient for all purposes, the same as if the officials
35 had remained in office until the delivery. Any provision of any law
36 to the contrary notwithstanding, any bonds issued under this chapter
37 are fully negotiable.

38 (7) Notwithstanding subsections (4) through (6) of this section,
39 bonds issued under this section may be issued and sold in accordance
40 with chapter 39.46 RCW.

1 NEW SECTION. **Sec. 10.** USE OF TAX REVENUE FOR BOND REPAYMENT. A
2 sponsoring local government that issues bonds under section 9 of this
3 act to finance public improvements may pledge for the payment of such

7 restriction in section 15 of this act.

8 NEW SECTION. **Sec. 11.** LIMITATION ON BONDS ISSUED. The bonds
9 issued by a local government under section 9 of this act to finance

19 section for the fiscal year.

20 (10)(a) For each fiscal year that a city or county imposes the
