SENATE BILL 6532

---

State of Washington

61st Legislature

2010 Regular Session

By Senators Pflug and Keiser

Read first time 01/15/10. Referred to Committee on Health & Long-Term Care.

1 AN ACT Relating to holding consumers harmless for balance bills  
2 generated when emergency services are rendered by nonparticipating  
3 providers in participating hospitals; amending RCW 48.43.093;  
4 reenacting and amending RCW 48.43.005; adding a new section to chapter  
5 41.05 RCW; adding a new section to chapter 74.09 RCW; and creating a  
6 new section.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** The legislature finds that there are  
9 situations in which insured consumers receive emergency health care  
10 services in a facility participating in a carrier's provider network,  
11 when other health care professionals rendering services in the facility  
12 may not be employees of the facility or participating providers in the  
13 consumer's health benefit plan. In such situations, the consumer is  
14 not aware that the providers are nonparticipating providers. Further,  
15 the consumer may have little or no direct contact with the  
16 nonparticipating providers. The legislature further finds that  
17 consumers should be held harmless for additional charges from  
18 nonparticipating providers for emergency care rendered in a  
19 participating facility. It is the intent of the legislature that

1 consumers in these emergency situations not be billed for charges in  
2 excess of what the applicable cost sharing would be under the  
3 consumer's health benefit plan for the use of participating providers.

4 The legislature further finds that some consumers intentionally use  
5 nonparticipating providers, which is the consumers' prerogative under  
6 certain health benefit plans. When consumers intentionally use a  
7 nonparticipating provider, the consumer is only entitled to benefits at  
8 the nonparticipating rate and may be subject to balance billing by the  
9 nonparticipating provider.

10 **Sec. 2.** RCW 48.43.005 and 2008 c 145 s 20 and 2008 c 144 s 1 are

13 **Sec. 3.** RCW 48.43.093 and 1997 c 231 s 301 are each amended to  
14 read as follows:

15 (1) When conducting a review of the necessity and appropriateness  
16 of emergency services or making a benefit determination for emergency  
17 services:

18 (a) A health carrier shall cover emergency services necessary to  
19 screen and stabilize a covered person if a prudent layperson acting  
20 reasonably would have believed that an emergency medical condition  
21 existed. In addition, a health carrier shall not require prior  
22 authorization of such services provided prior to the point of  
23 stabilization if a prudent layperson acting reasonably would have  
24 believed that an emergency medical condition existed. With respect to  
25 care obtained from a nonparticipating hospital emergency department, a  
26 health carrier shall cover emergency services necessary to screen and  
27 stabilize a covered person if a prudent layperson would have reasonably  
28 believed that use of a participating hospital emergency department  
29 would result in a delay that would worsen the emergency, or if a  
30 provision of federal, state, or local law requires the use of a  
31 specific provider or facility. In addition, a health carrier shall not  
32 require prior authorization of such services provided prior to the  
33 point of stabilization if a prudent layperson acting reasonably would  
34 have believed that an emergency medical condition existed and that use  
35 of a participating hospital emergency department would result in a  
36 delay that would worsen the emergency.

1 (b) If an authorized representative of a health carrier authorizes  
2 coverage of emergency services, the health carrier shall not  
3 subsequently retract its authorization after the emergency services  
4 have been provided, or reduce payment for an item or service furnished  
5 in reliance on approval, unless the approval was based on a material  
6 misrepresentation about the covered person's health condition made by  
7 the provider of emergency services.

8 (c) Coverage of emergency services may be subject to applicable  
9 copayments, coinsurance, and deductibles(~~(, and a health carrier may~~  
10 ~~impose reasonable differential cost sharing arrangements for emergency~~  
11 ~~services rendered by nonparticipating providers, if such differential~~  
12 ~~between cost sharing amounts applied to emergency services rendered by~~  
13 ~~participating provider versus nonparticipating provider does not exceed~~  
14 ~~fifty dollars. Differential cost sharing for emergency services may~~  
15 ~~not be applied when a covered person presents to a nonparticipating~~  
16 ~~hospital emergency department rather than a participating hospital~~  
17 ~~emergency department when the health carrier requires preauthorization~~  
18 ~~for postevaluation or poststabilization emergency services if:~~

19 ~~(i) Due to circumstances beyond the covered person's control, the~~  
20 ~~covered person was unable to go to a participating hospital emergency~~  
21 ~~department in a timely fashion without serious impairment to the~~  
22 ~~covered person's health; or~~

23 ~~(ii) A prudent layperson possessing an average knowledge of health~~  
24 ~~and medicine would have reasonably believed that he or she would be~~  
25 ~~unable to go to a participating hospital emergency department in a~~  
26 ~~timely fashion without serious impairment to the covered person's~~  
27 ~~health)).~~

28 (d)(i) For covered emergency services rendered to a covered person  
29 by a nonparticipating health care provider in a participating hospital  
30 on or after January 1, 2011, the benefit level shall be the same as if  
31 those services had been provided by a participating health care  
32 provider. Covered services or treatment rendered at a participating  
33 hospital, including covered ancillary services or treatment rendered by  
34 a nonparticipating provider performing the services or treatment at a  
35 participating hospital, shall be covered at no greater cost to the  
36 covered person than if the services or treatment were obtained from a  
37 participating provider.

1        (ii) Any attempt by the provider to recover excess funds from the  
2 covered person in a manner inconsistent with this subsection  
3 constitutes a violation of RCW 18.130.080(7).

4        (e) If a health carrier requires preauthorization for  
5 postevaluation or poststabilization services, the health carrier shall  
6 provide access to an authorized representative twenty-four hours a day,  
7 seven days a week, to facilitate review. In order for postevaluation  
8 or poststabilization services to be covered by the health carrier, the  
9 provider or facility must make a documented good faith effort to  
10 contact the covered person's health carrier within thirty minutes of  
11 stabilization, if the covered person needs to be stabilized. The  
12 health carrier's authorized representative is required to respond to a  
13 telephone request for preauthorization from a provider or facility  
14 within thirty minutes. Failure of the health carrier to respond within  
15 thirty minutes constitutes authorization for the provision of  
16 immediately required medically necessary postevaluation and  
17 poststabilization services, unless the health carrier documents that it  
18 made a good faith effort but was unable to reach the provider or  
19 facility within thirty minutes after receiving the request.

20        ~~((e))~~ (f) A health carrier shall immediately arrange for an  
21 alternative plan of treatment for the covered person if a  
22 nonparticipating emergency provider and health plan cannot reach an  
23 agreement on which services are necessary beyond those immediately  
24 necessary to stabilize the covered person consistent with state and  
25 federal laws.

26        (2) Nothing in this section is to be construed as prohibiting the  
27 health carrier from requiring notification within the time frame  
28 specified in the contract for inpatient admission or as soon thereafter  
29 as medically possible but no less than twenty-four hours. Nothing in  
30 this section is to be construed as preventing the health carrier from  
31 reserving the right to require transfer of a hospitalized covered  
32 person upon stabilization. Follow-up care that is a direct result of  
33 the emergency must be obtained in accordance with the health plan's  
34 usual terms and conditions of coverage. All other terms and conditions  
35 of coverage may be applied to emergency services.

36        (3) This section does not govern payment for emergency services  
37 rendered to persons who are enrolled in medicare, Title XVIII of the  
38 federal social security act.

1        NEW SECTION.    **Sec. 4.**    A new section is added to chapter 41.05 RCW  
2 to read as follows:

3        (1)(a) For covered emergency services rendered to a covered person  
4 by a nonparticipating health care provider in a participating hospital  
5 on or after January 1, 2011, the benefit level shall be the same as if  
6 those services had been provided by a participating health care  
7 provider. Covered services or treatment rendered at a participating  
8 hospital, including covered ancillary services or treatment rendered by  
9 a nonparticipating provider performing the services or treatment at a  
10 participating hospital, shall be covered at no greater cost to the  
11 covered person than if the services or treatment were obtained from a  
12 participating provider.

13        (b) Any attempt by the provider to recover excess funds from the  
14 covered person in a manner inconsistent with this subsection  
15 constitutes a violation of RCW 18.130.080(7).

16        (2) As used in this section, "emergency services" means otherwise  
17 covered health care services medically necessary to evaluate and treat  
18 an emergency medical condition provided in a hospital.

19        NEW SECTION.    **Sec. 5.**    A new section is added to chapter 74.09 RCW  
20 to read as follows:

21        (1)(a) For covered emergency services rendered to a covered medical  
22 assistance enrollee by a nonparticipating health care provider in a  
23 participating hospital on or after January 1, 2011, each managed health  
24 care system contracting with the department under RCW 74.09.522 shall  
25 pay the claim submitted by the health care provider at a rate no  
26 greater than the medical assistance rate paid by the department to  
27 providers for comparable services rendered to clients in the fee-for-  
28 service delivery system.

29        (b) The managed health care system must disclose, upon request of  
30 the nonparticipating provider, the reimbursement rate required under  
31 this section. The amount paid under this section constitutes payment  
32 in full for the services rendered by the nonparticipating provider.  
33 Any attempt by the provider to recover excess funds from the enrollee  
34 in a manner inconsistent with this subsection constitutes a violation  
35 of RCW 18.130.080(7).

36        (2) As used in this section, "emergency services" means otherwise

1 covered health care services medically necessary to evaluate and treat  
2 an emergency medical condition provided in a hospital.
