10           “(3m) PRACTICE REQUIREMENTS AND LIMITATIONS. (a) 1. An advanced practice  
11 registered nurse licensed under this section may, except as provided in subd. 2. and

1 par. (b), practice advanced practice registered nursing only in collaboration with a  
2 physician or dentist.

3 2. Subdivision 1. does not apply to an advanced practice registered nurse with  
4 a certified nurse-midwife specialty designation.

5 (b) 1. An advanced practice registered nurse to whom par. (a) 1. applies may,  
6 except as provided in pars. (bg) 1. and (c), practice advanced practice registered  
7 nursing in a recognized role without being supervised by or collaborating with, and  
8 independent of, a physician or dentist if the board verifies, upon application of the  
9 advanced practice registered nurse, that the advanced practice registered nurse has  
10 completed 3,840 clinical hours of advanced practice registered nursing practice in  
11 that recognized role while working with a physician or dentist during those 3,840  
12 hours of practice. For purposes of this subdivision, during the completion of these  
13 hours, the advanced practice registered nurse must have continuously satisfied all  
14 of the following requirements:

15 a. Maintained a mutual, professional relationship with at least one physician  
16 or dentist.

17 b. Maintained, and provided to the board upon request, documentation  
18 indicating the relationships the advanced practice registered nurse had with one or  
19 more physicians or dentists to deal with issues outside of his or her licensed scope  
20 of practice.

21 c. Maintained evidence that he or she was subject to a quality assurance  
22 program, peer review process, or other similar program or process that was  
23 implemented for and designed to ensure the provision of competent and quality  
24 patient care and that also included participation by a physician or dentist. Such a  
25 program or process may include a program or process administered through the

1 advanced practice registered nurse's employer, hospital, ambulatory surgery center,  
2 clinic, or other outpatient facility.

3 2. For purposes of subd. 1., hours of advanced practice registered nursing  
4 practice may include the lawful practice of advanced practice registered nursing  
5 outside this state or the lawful practice of advanced practice registered nursing in  
6 this state prior to the effective date of this subdivision .... [LRB inserts date].

7 (bg) 1. An advanced practice registered nurse may provide pain management  
8 services only while working in a collaborative relationship with a physician. Except  
9 as provided in subd. 2., this subdivision applies regardless of whether the advanced  
10 practice registered nurse has qualified for independent practice under par. (b).

11 2. Except as provided in par. (c), subd. 1. does not apply to an advanced practice  
12 registered nurse who is providing pain management services in a hospital, as defined  
13 in s. 50.33 (2), or a clinic associated with a hospital, and who has qualified for  
14 independent practice under par. (b).

15 (bm) For purposes of pars. (a) 1. and (bg) 1., a collaborative relationship is a  
16 process in which an advanced practice registered nurse is working with a physician  
17 or dentist, in each other's presence when necessary, to deliver health care services  
18 within the scope of the advanced practice registered nurse's training, education, and  
19 experience. The advanced practice registered nurse shall document such a  
20 collaborative relationship.”.

21 **6.** Page 48, line 11: delete “2.” and substitute “(c)”.

22 **7.** Page 51, line 7: after that line insert:

23 “(am) The board may promulgate rules to implement sub. (3m) (b).”.
