Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill 1046 requires Wisconsin Technical College System (WTCS) Districts to issue student identification cards that meet the criteria to be used as voter identification no later than August 1, 2024.

Currently, 14 of the 16 WTCS Districts provide student identification cards that meet the criteria to be used as a voter identification card.

The fiscal impact would be minimal for the remaining two technical college districts to issue student identification cards that would meet the criteria required to be used as a voter identification card.
