Description grants to independent living centers and making an appropriation		

Assumptions Used in Arriving at Fiscal Estimate

This bill increases the appropriation for the Department of Health Services to make grants to independent living centers by \$2,343,100 GPR annually.

Under current law, DHS makes grants to independent living centers, which must provide the following: (1) facilitating the transition of individuals with significant disabilities; (2) providing assistance to individuals with significant disabilities who are at risk of entering institutions so that the individuals may remain in the community; and (3) facilitating the transition of youth who have significant disabilities to postsecondary life.

DHS can administer the additional funding provided under this bill using existing resources.

In sum, the total fiscal effect of the proposed legislation is \$2,343,100 GPR annually.
