LRB Number	23-3361/1	Introduction Number	AB-0399	Estimate Type	Original
<b>Description</b> a sales and use tax exemption for various items used in the care of babies					

**Assumptions Used in Arriving at Fiscal Estimate**

The bill creates a sales and use tax exemption for the following: 1) baby cribs, baby playpens, and baby play yards; 2) baby safety gates; 3) baby monitors; 4) child safety cabinet locks and latches; 5) electrical outlet safety covers; 6) baby strollers; 7) bicycle child carrier seats and trailers; 8) child safety restraint systems designed for transporting young children in a motor vehicle; 9) baby exercisers, jumpers, bouncer seats, and swings; 10) breast pumps, baby bottles and nipples, baby bottle sterilizers, pacifiers, and teethers; 11) children's diapers, reusable diaper covers, and baby wipes; and 12) baby changing tables and changing pads.

Using various market reports that cover the products included in the bill along with data from Department of Health Services regarding the number of Wisconsin births, the department estimates sales and use tax revenue to decrease by about \$20.5 million in FY 24 on an annualized basis.

County taxes were 8.3% of state sales taxes in FY23. Assuming this percentage does not change, county sales and use taxes would decrease by about \$1.7 million under the bill.

Based on department records and assuming the City of Milwaukee makes up 50% of the county's sales tax base, the department estimates the city sales tax to decrease by approximately \$500,000 on annual basis under the bill.

Because this bill reduces tax revenue, it may impact the state's maintenance of effort requirement under the American Rescue Plan Act. The Dept of Administration should review this bill for this specific purpose to provide further clarity on the matter.

**Long-Range Fiscal Implications**
