Assumptions Used in Arriving at Fiscal Estimate

2021 AB 467 requires the Department of Children and Families to appoint a representative to the TRANSGENDER EQUALITY TASK FORCE.

According to the bill, DCF's representative "shall serve without compensation but shall be reimbursed for actual and necessary expenses, including mileage costs, incurred in the performance of their duties as members of the task force."

Without knowing who the member is and what amount of mileage they might need to travel, as well as not knowing how many times the task force will meet and where, specifying a dollar amount at this time is unfeasible. Accordingly, the Department's state fiscal estimate is indeterminate.

Long-Range Fiscal Implications

This appears to be a 12-month commitment with no long-range fiscal implications, aside from the cost of potential recommendations made by the task force.
