### Assumptions Used in Arriving at Fiscal Estimate

This bill will increase costs for the Wisconsin Elections Commission, Wisconsin counties, and Wisconsin municipalities. It is likely that all voting equipment in the state would require re-certification, and some jurisdictions may need to purchase new voting equipment to accommodate the requirements of this bill. Training requirements for local officials are likely to be significant. Ballot printing costs may or may not increase, depending upon how the elements of the bill are implemented. This estimate assumes that this would not be implemented prior to 2026. If a quicker implementation timeline was required, then the cost would be much higher and a new fiscal estimate would be needed.
