

State of Wisconsin
2019 - 2020 LEGISLATURE

LRB-3359/1
EHS:cjs

2019 ASSEMBLY BILL 316

June 27, 2019 - Introduced by Representatives MURSAU, MILROY, ANDERSON, CROWLEY, EDMING, EMERSON, GRUSZYNSKI, HESSELBEIN, KULP, B. MEYERS, OHNSTAD, OTT, POPE, RAMTHUN, SHANKLAND, SINICKI, SNYDER, SPIROS, SPREITZER, TAUCHEN, C. TAYLOR, THIESFELDT, TUSLER and ROHRKASTE, cosponsored by Senators COWLES, MILLER, CARPENTER, HANSEN, LARSON, OLSEN, PETROWSKI, RINGHAND and SMITH. Referred to Committee on Environment.

AUTHORS SUBJECT TO CHANGE

1 **AN ACT** *to create* 23.1165 of the statutes; **relating to:** making insect repellant
2 available for sale in state parks and state forests.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Natural Resources to ensure that insect repellant is available for purchase in every state park and state forest, either by selling it at a state park or state forest office or other location in the park or forest when open and staffed, or by arranging by agreement with a friends group that operates a concession stand in the state park or state forest to sell it when the stand is open and staffed.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 23.1165 of the statutes is created to read:
4 **23.1165 Sale of insect repellant. (1)** In this section, “friends group” has the
5 meaning given in s. 23.098 (1) (b).
6 **(2)** The department shall ensure that insect repellant is available for purchase
7 in every state park and state forest through one of the following methods:

(a) Making insect repellent available for sale at the state park office, state forest office, or other location in the state park or state forest at all times when the office or other location is open to the public and staffed.

(b) Arranging by agreement with a friends group that operates a concession stand in a state park or state forest to have insect repellent available for purchase in that concession stand when open to the public and staffed.

(3) The requirement under sub. (2) does not apply with respect to a state park or state forest if there is no state park office, state forest office, or other location in the state park or state forest where the department can make insect repellent available for sale or no friends group that operates a concession stand in the state park or state forest or, if the state park or state forest office, other location, or friends group concession stand sells out of insect repellent, for an amount of time that is sufficient to allow for restocking.

(END)
