- 1 **AN ACT to create** 20.437 (1) (be) and 49.170 of the statutes; **relating to:** a grant
2 program for financial assistance for adoption and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Children and Families to administer a competitive grant program under which it awards a grant to one organization in each fiscal biennium for the purpose of providing financial assistance to prospective adoptive families. The bill appropriates \$5,000,000 in the 2023-25 fiscal biennium for this grant program.

Under the bill, an organization is eligible for the grant if it operates a financial assistance program for prospective adoptive families. The bill requires DCF to impose conditions on the use of the grant, including that no more than 2.5 percent of it may be used for administrative expenses and awards are limited to \$10,000 per family and may only be awarded to or on behalf of families in this state who are adopting children in this state. Under the bill, DCF must also require that the grant recipient place conditions on the financial assistance, including that only families that have reached a certain stage in the adoption process are eligible and that the grant recipient may reclaim financial assistance it has awarded if the financial assistance is used improperly or not used by a certain deadline.

Under the bill, DCF must require the grant recipient to submit to DCF a report describing how the grant was used, which DCF must then submit to the appropriate standing committees of the legislature.
