

2009 ASSEMBLY BILL 348

July 24, 2009 – Introduced by Representative PARISI, cosponsored by Senator MILLER. Referred to Committee on Transportation.

1 **AN ACT to amend** 346.02 (1) of the statutes; **relating to:** the applicability of rules
2 of the road to private roads located in manufactured and mobile home
3 communities.

Analysis by the Legislative Reference Bureau

Under current law, rules of the road apply exclusively upon highways, with certain exceptions. Current law defines “highway” to mean all public ways and thoroughfares and bridges on the same. “Highway” includes roads or driveways in publicly owned parks and in state forests that are open to the public for vehicular travel and roads or driveways that are on the grounds of public schools and institutions under the jurisdiction of the county. A private road or driveway is not included within the definition of a highway.

This bill applies the rules of the road to private roads that are located within manufactured and mobile home communities.
