This offering has not been reviewed or approved by any state or federal securities commission or division or other regulatory authority and that no such person or authority has confirmed the accuracy or determined the adequacy of any disclosure made to me relating to this offering.

The securities I am acquiring in this offering are illiquid, that there is no ready market for the sale of such securities, that it may be difficult or impossible for me to sell or otherwise dispose of this investment, and that, accordingly, I may be required to hold this investment indefinitely.

I may be subject to tax on my share of the taxable income and losses of the company, whether or not I have sold or otherwise disposed of my investment or received any dividends or other distributions from the company.

.... (Signature)
