

2023 ASSEMBLY BILL 356

July 17, 2023 - Introduced by Representatives KURTZ, NOVAK, ARMSTRONG, CALLAHAN, DITTRICH, DONOVAN, KITCHENS, KRUG, MOSES, OLDENBURG, ORTIZ-VELEZ, PETRYK, SCHMIDT, SCHRAA, SNYDER, SPIROS, STEFFEN, SUMMERFIELD, SWEARINGEN, TRANEL, VANDERMEER and ROZAR, cosponsored by Senators TESTIN, JAMES, MARKLEIN, PFAFF, QUINN and COWLES. Referred to Joint Committee on Finance.

AUTHORS SUBJECT TO CHANGE

1 **AN ACT to create** 20.465 (3) (qs) and 256.35 (3s) (bx) of the statutes; **relating to:**
2 grants for incumbent local exchange carriers for costs associated with Next
3 Generation 911 and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Military Affairs must award grants to public safety answering points, more commonly known as 911 call centers, for a variety of purposes related to advanced 911 operations, known as Next Generation 911. In addition, under a separate grant program, DMA must award grants to county land information offices for the purpose of preparing geographic information systems data to help enable Next Generation 911.

This bill creates an additional grant program under which DMA must award grants to incumbent local exchange carriers operating as originating service providers for the reimbursement of the incumbent local exchange carriers' certain various costs associated Next Generation 911. An "incumbent local exchange carrier" is defined under the bill to have the same meaning as it does under federal law. An "originating service provider" is an entity that provides a service that may be used to generate a request for emergency assistance and that may connect to an emergency number system.

ASSEMBLY BILL 356

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
