

2011 ASSEMBLY BILL 382

November 16, 2011 – Introduced by Representatives BERNARD SCHABER, BERCEAU, DANOU, VRUWINK, WYNN and ZEPNICK, cosponsored by Senators HOLPERIN and HARS DORF. Referred to Committee on Ways and Means.

- 1 **AN ACT** *to create* 13.39 of the statutes; **relating to:** legislative consideration of
2 nonfiscal policy items in the biennial budget bill.

Analysis by the Legislative Reference Bureau

This bill establishes a process for the removal of nonfiscal policy items from the biennial budget bill and prohibits passage of a biennial budget bill in either house of the legislature if the bill contains nonfiscal policy items. Under the bill, a nonfiscal policy item is defined as an item that generally has no state fiscal effect or the policy implications of the item are greater than the state fiscal effect; an item that has been or is the subject of introduced legislation other than the biennial budget bill; an item that would be referred to a standing committee of the legislature, other than the Joint Committee on Finance (JCF); or an item that can be accomplished without legislation. Under the bill, however, nonfiscal policy items do not include those that affect state program eligibility; that, if prepared as a bill, would generally be referred to JCF; or that address a reorganization or transfer of state government operations or functions.

Under the bill, no later than 30 days after introduction of the biennial budget bill, the Legislative Fiscal Bureau (LFB) must prepare a report, for submission to the cochairpersons of JCF, that identifies all nonfiscal policy items. If requested by the governor, the cochairpersons of JCF must then introduce bills in both houses of the legislature for each nonfiscal policy item identified by the LFB.

The bill specifically prohibits JCF from voting to recommend passage of a biennial budget bill, or an amendment thereto, that contains a nonfiscal policy item, as well as prohibits senators and representatives to the assembly from offering

amendments to the biennial budget bill, or any amendment thereto, that contain a nonfiscal policy item. Finally, the bill prohibits either house of the legislature from passing any biennial budget bill, or adopt any amendment thereto, that contains a nonfiscal policy item.
