

2021 ASSEMBLY BILL 417

June 25, 2021 - Introduced by Representative SNYDER. Referred to Committee on Criminal Justice and Public Safety.

1 **AN ACT relating to:** grant for a Marathon County regional forensic science
2 center.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Administration to award a grant in the amount of \$4,597,900 to an eligible recipient, as determined by DOA, for a Marathon County regional forensic science center. The bill requires the governor to allocate \$4,597,900 of the funds accepted under the federal American Rescue Plan Act of 2021 for the grant.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1. Nonstatutory provisions.**

4 (1) From the moneys allocated under sub. (2), the department of administration
5 shall award a grant in the amount of \$4,597,900 to an eligible recipient, as
6 determined by the department, for a Marathon County regional forensic science
7 center.
